**If you're shopping**— Magic Lantern Guides will help you to select the right camera with the features you want.

**Magic Lantern Guides — the original photo equipment guides sold worldwide since 1976.**

Manufacturers' instruction books are at times confusing and overly technical. They don't include "tips" and techniques that make using your camera more rewarding. Magic Lantern Guides make it easy for you to take advantage of all of the camera's innovative features for professional results. They also include information on selecting and using lenses and accessories.
