Executive Board Election Task Force Report

Introduction

The Executive Board Election Task Force was established by the RIPE NCC Executive Board in July 2020 in order to carry out an evaluation of the Executive Board nominations and election process. Particular issues to be addressed include:

- Measures for the qualification and verification of candidates
- Issues around the representation of candidates in terms of biographies and statements of support published on the RIPE NCC website
- Possibilities for allowing members greater opportunity to engage with and question candidates prior to the election

The full rationale, charter and scope of the task force, as well as further details on its work, is available from the Executive Board Election Task Force page on www.ripe.net.

Task Force Report

The task force will produce a draft report outlining a set of recommendations for the board to consider at its September 2020 meeting, a final version of which will be presented to the RIPE NCC membership at the October 2020 General Meeting. This will ensure that any necessary actions that need to be put to members for voting can be carried out before the next election takes place.

In addition to the above, after the report has been presented at the October GM, the task force will reconvene to assess whether there are any pertinent issues that require their further attention at that point.

Task Force Members

- Erik Bais (Netherlands)
- Randy Bush (Estonia)
- Carlos Friaças (Portugal)
- Toma Gavrichenkov (Russia)
- Sergey Myasoedov (Czech Republic) Task Force Chair
- Arnold Nipper (Germany)
- Cynthia Revström (Sweden)
- Jan Žorž (Slovenia)
- Remco van Mook (RIPE NCC Executive Board Representative)

The RIPE NCC will provide legal and secretariat support for the task force.
