inequalities and take action to help end extreme poverty Sections within current chapters need to incorporate the following  
Decolonising the curriculum The language of birth including gender issues related to childbirth Compassionate midwifery  
Trauma informed practice broad concept but including birth trauma Fear of childbirth tocophobia Complementary therapies  
separate chapter to include their use throughout childbirth and the midwife s scope of practice Cultural safety clear  
definition why does it need to become part of practice Uk is steps behind contemporaries such as ANZ similar midwifery set  
up this will be woven through all chapters and they will be written from this perspective with maybe a short section on the  
history Birthing people Mental health to inform midwives of the things to look out for in their patients LGBTQ safety within  
midwifery Screening updates and removals Wider focus on Broad principals as opposed to facts that already exist on NHS  
and NMC sites

**Myles Textbook for Midwives Pocket Companion** Diane Fraser, Margaret A. Cooper, 2008 Either on  
the ward or on placement this handy pocketbook gives you the clinical information you need at your fingertips *Textbook  
of Midwifery' 2005 Ed. 2005 Edition* ,

**Decision-Making in Midwifery Practice** Maureen D. Raynor, Jayne E.  
Marshall, Amanda Sullivan, 2005-06-01 The book looks at a broad perspective of decision making and each chapter focuses on  
a specific aspect related to making crucial decisions Following an initial introduction the book explores the concept of  
autonomy and the many factors that influence autonomous practise The role of knowledge in decision making using evidence  
to inform decisions as well as different approaches to decision making are also examined including the traditional or rational  
approach decision analysis and the development of professional judgement Dilemmas arise when decisions are made and  
therefore ethical decision making is an important component of this book Management decisions may be different from those  
related to giving specific care to women hence one chapter focuses on making management decisions Emphasis is also  
placed on the role of the midwife in helping women make their own decisions the role of reflection in enhancing the decisions  
midwives make and the support midwives can receive from their Supervisor of Midwives Flowcharts explain and facilitate the  
decision making process A very practical approach to decision making in midwifery with contributions from midwives who  
have considerable experience in this area Provides guidelines on how to achieve successful autonomous midwifery practice  
enabling theory to be effectively applied to practice Includes coverage of management roles and decision making as well as  
clinical scenarios offering frameworks and flowcharts to guide the inexperienced Suggests different approaches to making  
difficult decisions
