Mindset Tierney Temple Fairchild,Jo Lynne DeMary,2011-06-16 This book provides a valuable balance between what one

must know and what one must do to turn around low performing schools The 3 E framework simplifies this complex process

by focusing resources on the environment the executive and the execution of the turnaround plan Central to each of these

components is a spotlight on the values supporting change and an examination of the unique perspectives and actions

required at the school district and state levels in renewing chronically underperforming schools A set of case studies on

individuals who have led successful turnarounds of schools gives life to the theoretical concepts These cases focus on the

principal as turnaround specialist offering leadership profiles from their varied perspectives and demonstrate the resilience

of these leaders across settings and challenges The book concludes with a discussion of how the developing field of school

turnarounds affects educational policy in the K 12 and higher education arenas **Silver Burdett Ginn Mathematics**
