

Response Journal 1

Page 8

While Tita was singing and waving her wet hand in time, showering drops of water down on the griddle so they would "dance," Rosaura was cowering in the corner, stunned by the display. Gertrudis, on the other hand, found this game enticing, and she threw herself into it with the enthusiasm she always showed where rhythm, movement, or music were involved. Then Rosaura tried to join them..... The momentum carried Rosaura's hands onto it.

(Comments: You may want to shorten up the passage to which you are responding. Use three ellipses [periods] to delete information within a sentence. Use four ellipses to leave out information within a paragraph but across one or more sentence boundaries.)

Sample Response 1

I remember doing this as a child. My sister and I said the water was ice-skating. I tried to do it the other day but it didn't work.

(Comments: This is related to the topic, but it is too short. It lacks depth of thought and development. To me this entry looks a little confused, lazy or rushed. This response would receive about 2 or 3 points.)

Sample Response 2

Tita was showing her sisters how to have some fun dropping water onto a hot cooking surface to see the water drops float across the surface. Gertrudis enjoyed this activity because they did it while dancing. Rosaura was afraid to try it, so when Tita tried to force her, Rosaura burned her hands. I think Tita and Rosaura are very different people and will not get along very well.
