the ironclad condition laid down in her great aunt's will to receive her inheritance Molly must spend one year in an abandoned off the grid farmhouse in the remote backwoods of northern Alberta. If she does she will be able to sell the farm and fund her four year old daughter's badly needed medical treatment. With grim determination Molly teaches herself basic homesteading skills. But her greatest perils come from the brutal wilderness itself from blizzards to grizzly bears. Will she and her child survive the savage winter? Will she outsmart the idealist young farmer who would thwart her plan to sell the farm? Not only their financial future but their very lives are at stake. Only the journal written by Molly's courageous great aunt the land's original homesteader inspires her to struggle on.
