Why Not Torture Terrorists? Yuval Ginbar,2008-03-27 The book addresses a dilemma at the heart of the War on Terror is it ever justifiable to torture terrorists in order to save the lives of innocent civilians the so called ticking bomb scenario The book first analyzes the ticking bomb dilemma as a pure moral one facing the individual would be torturer A never say never utilitarian position is pitted against a minimal absolutist view that some acts are never justifiable and that torture is one such act It then looks at the issues that arise once a state has decided to sanction torture in extreme situations when how and whom to torture the institutionalization of torture its effects on society and its efficacy in combatting terrorism in the shorter and longer runs Four models of legalized torture are next examined including current ones in Israel and the USA and the idea of torture warrants Finally related legal issues are

analyzed among them the lawfulness of coercive interrogation under international law and attempts to allow torture only after the fact for instance by applying the criminal law defence of necessity A minimal absolutist view under which torture whether by private individuals or by state officials must be prohibited absolutely in law policy and practice and allowing no exceptions for ticking bomb situations is defended throughout **TV Guide** ,2006 Cinefantastique ,2006 Carefree California: Cliff May and the Romance of the Ranch House Nicholas Olsberg,Jocelyn Gibbs,2012-09-04 This landmark volume is an authoritative richly illustrated examination of the origins evolution and influence of the California ranch house Carefree California looks at a legendary figure in Southern California design Cliff May and the ubiquitous domestic icon his name evokes the ranch house We also see how other architects from George Washington Smith to Rudolph Schindler pursued different paths toward the same kind of relaxed domesticity exemplified by the ranch house By the late 50s much of the world was fascinated with California living and with the ranch house in particular which derived from architects evocation and reworking of distinctive regional traditions allied with the pervasive romance and myths of the California frontier and from the cultivation of a domestic architecture that could serve distinctively Californian ways of carefree living By uncovering patterns for living that suited the automobile age among the almost archaic forms and rhythms of mission and pioneer dwellings an extraordinary range of modernism emerged that was at once grounded in history and soaring into the space age
