Social Life in the Days of Piers Plowman Dorothy Chadwick, 1922 **The Days of Chivalry** Quatrelles, 1877 **Knight Conrad of Rheinstein** Julius Ludovici, 1899 **Sex Training in the Home** Winfield Scott Hall, 1927 **The Days of Chivalry: The Legend of Croquemitaine** Ernest Louis Victor Jules L'Epine, 2020-09-28 THE story which I am about to relate happened if it ever did happen in the time of the famous Emperor Charlemagne There is no necessity in speaking of that remarkable epoch to invent facts The truth is so astounding that it will make you open your eyes quite wide enough What marvellous doings of fairies ogres or demons can compare with the deeds of Charlemagne and what magic ring could be as potent as his sword But

before I proceed further it will be as well to sketch for you in a few lines the portrait of this hero He was eight feet in height according to the measurement of his own feet which historians allege with fervour were of remarkable length His eyes were large and piercing When he was enraged you could almost have fancied they flashed fire His face was broad and ruddy his hair brown and he wore a beard that was innocent of the barber s shears Although he measured eight feet round the middle his figure was wellproportioned He devoured with ease at one repast a quarter of mutton or a goose or a ham or a peacock He was moderate in the matter of wine which he used to take with water His strength was so enormous that it was mere child s play to him to straighten with his naked hands three horse shoes at a time He could lift at arm s length on the palm of his hand a knight in full armour and lie could cleave in twain with one blow of his sword a horseman in panoply of war aye and his horse into the bargain This was mere sport to him and often with a charming complaisance which was peculiarly his own he would take pleasure in thus giving those about him an ocular demonstration of his superhuman strength His anger was as terrible as the thunder for it was as ready to burst forth and to strike He carved out a kingdom with the compassion of a Titus the sound judgment of a Solomon the piety of a Joseph the magnificence of a Sardanapalus and the wisdom of an Asa he united two qualities more rare than all these put together when he spoke he meant what he said and when others spoke to him he took time for reflection in order to make sure that he thoroughly understood their meaning The dominion which his father bequeathed him did not suit the largeness of his views so he carved out for himself a kingdom which was more in harmony with his gigantic instincts
