William L. Banks

In Three Days:

Three Days and Three Nights William L. Banks, 2005-04 *Israel and the Covenants in New Testament Times* Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that **The Day Jesus Died** Woodrow Michael Kroll, 2025-03-13 If we could transport ourselves back to the first century AD would we know the year date day and hour of the crucifixion of Jesus Yes we would We may even have been an eyewitness But can we know these time markers today Yes we can In *The Day Jesus Died* using biblical historical archaeological and literary information of that century readers will trace the time of Jesus death to the very hour of the very day of the very year that the Savior was crucified This is not some hocus pocus pseudo science This is the real deal Based on eyewitness historical and literary accounts and relying on the methods of telling time in the first century readers can pinpoint the hour Jesus said It is finished It's almost like being there **The Sacred Books of Judaism** Moses Maimonides, Abraham Cohen, Samuel Rapaport, Nurho de Manhar, Simeon Singer, Heinrich Graetz, Louis Ginzberg, Judah Halevi, 2021-04-27 This meticulously edited collection contains the essential books of the Jewish faith the most sacred text of Judaism history books as well as philosophical and theological writings concerning Jewish faith _x000D_ Contents _x000D_ Religious Texts _x000D_ Tanakh The Hebrew Bible _x000D_ Talmud The
