Flip The Script:

Flip the Script Brittany Estes, 2023-03-14 Don't let harmful dialogues play through your mind it's time to flip the script and reclaim your joy Soon you'll begin to see life in a brand new way Negative broken lie filled sentences fill your head as you work play and go about your life These scripts are sidelining you maligning you harming you What if there were another way What if your life didn't have to be defined by what others say Or even by what you say to yourself over and over What if you knew that beauty and life are yours to be found and you finally danced in the freedom that awaits you There is more for you friend so much more You can learn how to silence all the negative scripts so you can hear the One who really matters and live the exuberant positive life meant for you In this book you'll finally uncover the scripts that have broken you down The great news is that you are never broken beyond repair Learn how God gently collects all your broken pieces and puts them back together as you retrain your mind to think differently about your situation God and your world **Flip the Script**

have read many books on how to succeed in business and often after reading them I have been left wondering if the authors own experiences were relatable to the average person The advice in many of the books tended to be either too scholarly or too complicated to incorporate into real life The lack of a better grounded reality based approach to guiding others to success inspired me to think about my own experiences My success in life and business has come in the absence of any extraordinary opportunity or vision Mine is a journey from a family of six children who struggled monthly to make ends meet to a career in one of publishing s glittering ivory towers From New York to Paris from the world of fashion and beauty to the back lots of Hollywood my success has come from flipping the script and creating opportunities where none existed Flipping the script is my unique approach to turning tables and gaining control from Flip the Script Scripting Addiction E. Flip the Script Oren Klaff, 2019-08-13 THE BESTSELLING AUTHOR OF PITCH ANYTHING IS BACK TO FLIP YOUR ENTIRE APPROACH TO PERSUASION Is there anything worse than a high pressure salesperson pushing you to say yes then sign on the dotted line before you're ready? If there's one lesson Oren Klaff has learned over decades of pitching, presenting, and closing long shot high stakes deals, it's that people are sick of being marketed and sold to. Most of all, they hate being told what to think. The more you push them, the more they resist. What people love, however, is coming up with a great idea on their own, even if it's the idea you were guiding them to have all along. Often, the only way to get someone to sign is to make them feel like they're smarter than you. That's why Oren is throwing out the old playbook on persuasion. Instead, he'll show you a new approach that works on this simple insight: Everyone trusts their own ideas. If, rather than pushing your idea on your buyer, you can guide them to discover it on their own, they'll believe it, trust it, and get excited about it. Then they'll buy in and feel good about the chance to work with you. That might sound easier said than done, but Oren has taught thousands of people how to do it with a series of simple steps that anyone can follow in any situation. And as you'll see in this book, Oren has been in a lot of different situations. He'll show you how he got a billionaire to take him seriously, how he got a venture capital firm to cough up capital, and how he made a skeptical Swiss banker see him as an expert in banking. He'll even show you how to become so compelling that buyers are even more attracted to you than to your product. These days, it's not enough to make a great pitch. To get attention, create trust, and close the deal, you need to flip the script. **Life in Jeneral** Jen
