AP Human Geography Research Project Second Semester-DUE April 11th 2007

The ability to conduct research and the ability to present findings and conclusions clearly are very definitely valuable personal skills. Research and writing will serve as an introduction to primary source material, and the application of organization and presentation skills will prepare you to answer the Free Response questions on the Advanced Placement examination.

Before you start

Pick a Topic-

For many people the most difficult task is to pick a good topic and create a thesis or hypothesis for the paper. Once you have chosen a topic and submitted the Project Proposal form you **MAY NOT SWITCH TOPICS**. Remember that you will be working on the same topic from January to April, so choose wisely. Choose a topic that not only interests you, but also can be researched adequately with the sources available. **TWO STUDENTS MAY NOT DO THE VERY SAME TOPIC**; therefore it is wise to have a second option in mind. Remember the topics listed are good suggestions, but for some it is more difficult to obtain research materials quickly. Persevere in your research and exhaust all possibilities before you abandon a topic.

Suggested Topics
