Internship experience

Internships serve as a great tool to help those who are in college or outside of college gain experience in a certain field that person has interest in. Internships give people the opportunity to work in a professional setting and eventually go into that professional field with their new skills and experience. Internships will help you prepare for the professional field of work when the moment comes to move forward happens in your life. Internships can range from a variety of different things. The internship could either be paid, unpaid, and the length of the internship can range from many different time frames as well.

I had the amazing opportunity to do an internship with Socko Gaetano who owns the company iSocko.com. iSocko.com is a photography company that was started by Socko Gaetano. Socko's office is located in Canfield, OH, which made the commute to the internship very easy for me because I live in Youngstown. I was able to complete the internship within a 12-week period, starting from the middle of May to the beginning of August. The reason I chose to do my internship with iSocko.com was because the company had the type of work I was seeking after I graduated college. This included many different things that included office work
