Intimate Communion Everest Media,2022-05-04T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The book is for men and women who are turned on by sex love and true spiritual ecstasy It is for people who enjoy tangled bodies open hearts and enlightened minds If you are not delighted by a style of intimacy involving deep passion deep devotion and deep understanding then this book is not for you 2 While efforts toward social and economic equality between men and women have been necessary and beneficial we have also suffered an unplanned side effect Men and women have become more and more sexually neutralized unable to give each other what they really want in intimacy 3 To grow in the three stages of intimacy we must come to terms with our deepest desires to give and receive our sexual emotional and spiritual gifts We may find that we are hiding some of our real desires thinking they are unfair or taboo 4 The ultimate pleasure in intimacy is not to be found in any specific person and it is not found in a carefully arranged 50 50 relationship with a safe man or woman It is found in the process of open hearted surrender of being overwhelmed in love

Lies Debrena Jackson Gandy,2014-09-15 Foreword by Actress Kim Coles The U S boasts the highest divorce rate of any country in the world and some of the highest relationship dissatisfaction rates Yet despite the endless amounts of advice and experts available to us we continue to experience increasing levels of frustration conflict emotional breakdown and failure in our relationships What are we missing What continues to elude us What is inherently wrong with our understanding of what makes love relationships work Debrena Jackson Gandy two time national best selling author and founder of The Love Academy addresses these questions and the root causes of this massive breakdown in relationships in our country Most of the advice and models given to American women only address the symptoms of this epidemic usually applying simplified how

to techniques that tend to lead to more confusion than resolution. These are band-aids and ineffective ones at that. *The Love Lies* delves deeper to unearth ten toxic beliefs that have been instilled in women since pre-school, influencing us through a wide range of ages and trapping us all in a web of illusions. These powerful Love Lies manipulate perceptions, create delusions, and perpetuate behaviors that unknowingly sabotage our relationships. *The Love Lies* sets women free from chronic cycles of dissatisfaction and disappointment and offers a proven process to dismantle the lies, heal the mind and heart, and transform the American relationship paradigm forever.

The Real Brass Ring Dianne Bischoff James, 2013-10-02. *What Do I Do Now: The Secrets of a Midlife Reboot*. *The Real Brass Ring* takes *The Secret* on a high-speed road test in a tale of midlife transformation in the real flesh and blood world of contemporary Chicago. It is the story of a midlife reboot, a raw, unfiltered journey of enlightenment that illustrates a woman's daunting personal reinvention and the rewards of fearlessly pursuing a life's true calling. After a jolting encounter with internationally known psychic and author Sonia Choquette, Dianne Bischoff James is forced to face the truth about her life. Sonia's words cut like a knife: "Dianne, you are a talented writer, healer, teacher, and performer. But sadly, your life is heading down the wrong path. Your brass ring is coming by, and you need to grab it before it's too late. You have modeled yourself after your parents' desires. You are completely stuck in the make-believe role of being a good girl. You live with depression because nothing about your life is your own. Fix your ways, or soon it will be too late." Dianne had achieved an impressive education, an accomplished entrepreneurial career, a busy family life, and social status, yet somehow she had completely missed the real brass ring. Although she had had a perfectly traditional background, her marriage was a sham, her career uninspiring, her health failing, and her self-esteem and spirituality non-existent. At 38, it was as if she had awakened to a nightmare she had been living a profound lie. Finding herself completely off-track, Dianne openly bares her soul and utilizes the metaphysical principles of *The Secret* to set out to change every aspect of her existence. She insists that she is worthy of an authentic romantic relationship and initiates the break-up of her marriage with three children in tow and dives into midlife cougar dating, including a close call with a charming but dangerously abusive alcoholic. By experimenting with the Law of Attraction, she also launches the acting career she had always dreamed of as a child and surprises even herself with success in an extremely competitive arena. Gradually, yet boldly, Dianne also faces other critical issues, including physical afflictions, a terrifying financial recession, and the death of a loved one, removing each daunting roadblock one by one and manifesting a newly created self. I'd approached every change as a free-fall diving through the air and grabbing at brass rings along the way. Dianne writes, "I'd made more mistakes than I could even count, but I also absorbed the painful yet innately valuable teachings. Now I had what I wanted all along: emotional peace, love, a uniquely sculpted family unit, an outlet for my creativity, and a new life in hand. This was the picture Sonia painted for me on my 38th birthday; it just took me over a decade to erect the living model from the shadows." By chronicling her own personal reinvention with grit, humor, incisiveness, and compassion, in *The Real Brass Ring*, Dianne provides the inspiration and passion others need to reclaim their authentic
