# Introducing English Grammar

**David J. Young**

## **Introducing English Grammar:**

**Introducing English Grammar** Kersti Börjars, Kate Burridge, 2010 With all special terms carefully explained as they are introduced the book is written for readers with no previous experience of grammatical analysis It is ideal for all those beginning their study of linguistics English Language or speech pathology as well as students with primarily literary interests who need to cover the basics of linguistic analysis The approach taken is in line with current research in grammar a particular advantage for students who may go on to study syntax in more depth All the examples and exercises use real language taken from newspaper articles non standard dialects and include excerpts from studies of patients with language difficulties Students are encouraged to think about the terminology as a tool kit for studying language and to test what can and cannot be described using these tools Publisher description [Introduction to the Grammar of English](#) Rodney Huddleston, 1984-09-27 Written for students without knowledge of linguistics and unfamiliar with traditional grammar this text concentrates on providing a much needed foundation in Standard English in preparation for more advanced work in theoretical linguistics *Understanding English Grammar* Thomas E. Payne, 2011 Unlike other textbooks it helps students to understand grammar rather than see it as a set of facts and rules [An Introduction to English Grammar](#) Gerald Nelson, Sidney Greenbaum, 2013-11-04 An Introduction to English grammar provides a comprehensive overview of all aspects of English grammar and can be used in the classroom for self study or as a reference book The book is organised in two parts on grammar and its applications and provides everything a beginning student needs to get to grips with the theory and practice of English usage including sections on style punctuation and spelling This third edition has been fully revised and updated to include an expanded section on English in Use usage notes highlighting common errors updated exercises a glossary and a companion website with further graded exercises *Introducing English Grammar* Magne Dypedahl, Hilde Hasselgård, 2018 *Introducing English Grammar* describes and explains English grammar in light of current usage It is aimed at students of English in teacher education and students who take an introductory course in English grammar at college university level in Norway The third edition of *Introducing English Grammar* has been revised and updated but retains the key points of the previous edition alerting learners to the close ties between grammatical form meaning and communicative function providing learners with good tools for improving their English giving practical advice through Notes for learners introducing learners to grammatical terminology so that they can make use of grammar notes from dictionaries and other sources making learners familiar with the basic clause structure of English comparing English with Norwegian in order to address specific learner problems and increase the students language awareness presenting ways of creating coherent texts that are adapted to context and purpose providing exercises focusing on practical as well as analytical skills including the use of English language corpora The book has an accompanying website with a key to the exercises at <https://intengram.portfolio.no> Magne Dypedahl is Senior Lecturer in English at the University College of Southeast Norway Hilde Hasselgård is

Professor of English Language at the University of Oslo     Introducing English Language Louise Mullany, Peter Stockwell, 2010-02-25 Assuming no prior knowledge books in the series offer an accessible overview of the subject with activities study questions sample analyses commentaries and key readings all in the same volume The innovative and flexible two dimensional structure is built around four sections introduction development exploration and extension which offer self contained stages for study Each topic can also be read across these sections enabling the reader to build gradually on the knowledge gained Introducing English Language is the foundational book in the Routledge English Language Introductions series and offers a grounding to all the titles featured in the series gives comprehensive coverage of the essential aspects of the English language as well as providing an introduction to key disciplines of linguistics such as historical social and psycholinguistics and also core areas in language study including acquisition standardisation and the globalisation of English uses a wide variety of real texts and images that include a transcript of a conversation between George W Bush and Tony Blair a controversial apology broadcast on BBC Radio 4 excerpt from novels including *Alien* and photographs from Hong Kong provides classic readings by the key names in the discipline including Guy Cook Joan Cutting Zolt n D rnyei Andy Kirkpatrick and John Sinclair is accompanied by a supporting series website with additional activities project ideas for each unit further guidance on areas mentioned in the book suggestions for further reading weblinks to essential English Language resources and course templates for lecturers Written by two experienced teachers and authors this accessible textbook is an essential resource for all students of English language and linguistics Visit the companion website at <http://www.routledge.com/textbooks/reli>

**A Student's Introduction to English Grammar** Rodney Huddleston, Geoffrey K. Pullum, 2005-02-17 This groundbreaking undergraduate textbook on modern Standard English grammar is the first to be based on the revolutionary advances of the authors previous work *The Cambridge Grammar of the English Language* 2002 The analyses defended there are outlined here more briefly in an engagingly accessible and informal style Errors of the older tradition of English grammar are noted and corrected and the excesses of prescriptive usage manuals are firmly rebutted in specially highlighted notes that explain what older authorities have called incorrect and show why those authorities are mistaken This book is intended for students in colleges or universities who have little or no previous background in grammar and presupposes no linguistics It contains exercises and will provide a basis for introductions to grammar and courses on the structure of English not only in linguistics departments but also in English language and literature departments and schools of education

*Introducing English Linguistics* Charles F. Meyer, 2009-05-14 Are you looking for a genuine introduction to the linguistics of English that provides a broad overview of the subject that sustains students interest and avoids excessive detail Introducing English Linguistics accomplishes this goal in two ways First it takes a top down approach to language beginning with the largest unit of linguistic structure the text and working its way down through successively smaller structures sentences words and finally speech sounds The advantage of presenting language this way is that students are first given the larger picture they study

language in context and then see how the smaller pieces of language are a consequence of the larger goals of linguistic communication. Second, the book does not contain invented examples as is the case with most comparable texts but instead takes its sample materials from the major computerised databases of spoken and written English, giving students a more realistic view of language.

**English Grammar for Today** Geoffrey N. Leech, Margaret Deuchar, Robert Hoogenraad, 1982

**Working with English Grammar** Louise Cummings, 2018-06-21 This clear and concise introduction offers students of linguistics and English language a comprehensive overview of English grammar including word structure, major and minor word classes, phrases, clauses, and sentences. Based on twenty years teaching practice, Louise Cummings adopts a unique approach of using three real world contexts: first language acquisition, language disorders, and non-standard dialects as a pedagogical tool to make grammatical concepts meaningful to students and to improve engagement and understanding. In seven accessible chapters, students are encouraged to develop the analytical skills they require to give a comprehensive description of the grammar of the English language. A range of supportive learning aids is used, including Learning Objectives and Section Key Points summaries, Varied examples from world Englishes and print media, Homework assignments, exercises, and revision questions, Targeted further reading suggestions and special topics boxes, A glossary of 300 entries, An extensive range of online resources for instructors and students including a test bank of 140 multiple choice questions, useful links, and an answer key.

*Introducing English Linguistics International Student Edition* Charles F. Meyer, 2010-01-27 A genuine introduction to the linguistics of English that provides a broad overview of the subject that sustains students' interest and avoids excessive detail. It takes a top-down approach to language, beginning with the largest unit of linguistic structure, the text, and working its way down through successively smaller structures.

[An Introductory English Grammar](#) Norman C. Stageberg, 1981 An introductory structural English grammar text which provides a systematic description of the sound systems, morphological structures, and syntax of English.

**Introducing English Grammar** David J. Young, 1984 First Published in 1984, Routledge is an imprint of Taylor & Francis, an informa company.

**Introducing English Grammar** Kersti Börjars, Kate Burridge, 2001 Introducing English Grammar guides readers through the practical analysis of the syntax of English sentences. With all special terms carefully explained as they are introduced, the book is written for readers with no previous experience of grammatical analysis. It is ideal for all beginning students of linguistics, English language, speech pathology, as well as students with primarily literary interests who need to cover the basics of linguistic analysis. The approach taken is in line with current research in grammar, a particular advantage for students who may go on to study syntax in more depth. All the examples and exercises use real language which is taken from newspaper articles, non-standard dialects, and includes excerpts from studies of patients with language difficulties. Students are encouraged to think about the terminology as a tool kit for studying language and to test what can and what cannot be described using these tools.

[A Short Introduction to English Grammar: with Critical Notes. A New Edition, Corrected](#) Robert Lowth, 1767

**English**

**Grammar** Peter Collins, Carmella Hollo, 2010-01-15 This new edition of a successful text has been thoroughly revised to make it even more accessible to those without any prior grammatical knowledge There is greater discussion and exemplification of key terms while essential topics are now fully introduced at the outset There are also new sections more diagrams and shaded boxes [An Introduction To English Grammar, 2/E](#) Greenbaum, 2002-09 [Collins Introducing English to Young Children: Spoken Language](#) Opal Dunn, 2014-01-02 A practical teacher guide book for teaching spoken English to young children *Introduction to English Grammar*. ENGLISH GRAMMAR., 1858 **A Student's Introduction to English Grammar** Rodney Huddleston, Rodney D. Huddleston, Geoffrey K. Pullum, Brett Reynolds, 2021-11-25 A new edition of the ground breaking undergraduate textbook on modern Standard English grammar now completely rewritten and updated

### **Introducing English Grammar Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Introducing English Grammar PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Introducing English Grammar PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries,

ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Introducing English Grammar free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Introducing English Grammar Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Introducing English Grammar is one of the best book in our library for free trial. We provide copy of Introducing English Grammar in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Introducing English Grammar. Where to download Introducing English Grammar online for free? Are you looking for Introducing English Grammar PDF? This is definitely going to save you time and cash in something you should think about.
