

Candidate Evaluation

Name: **TEACHER KEY**

Now that you know what it takes to evaluate a candidate, jump in and use that knowledge!
Read each speech and do the following:

- Circle qualifications
- Cross out unnecessary facts
- Underline promises

Candidate 1:

What are his qualifications?

Former city mayor, good speaker, honest, good listener, can run a city, graduated top of class, went to a good college

What promises did he make? (Put a ☆ next to the ones that he might be able to deliver.)

-every child in the U.S. gets a puppy

☆ *-will use experience as mayor to run the country*

My fellow Americans, I speak to you today about why you should elect me as your next president. To start things off, I want you to know that I love puppies! They are the best kind of pets and everyone should have one. I promise to give every child in the United States a puppy of their very own!

As the president, I would use my experience as a city mayor to lead the country. Being a mayor required me to be a good speaker, honest and good at listening to the needs of the public. I know how to run a city so how much harder could it be to run a country?

I graduated top of my class and went to one of the best colleges in the country. I have three kids and they love me a whole lot. My favorite vegetable is broccoli and I do not like carrots at all. I really hope that you vote for me so I can be the next President!

Candidate 2:

What are her qualifications?

Studies government in college, served as Senator for 6 years, liked by other Senators, was a teacher, is creative, patient, and a good listener

What promises did she make? (Put a ☆ next to the ones that she might be able to deliver.)

-outlaw yucky foods

-make teachers assign video games

☆ *-decrease taxes*

-claim the moon for the U.S.

Welcome, everyone! I am here today to talk to you about why I think I would make the best president ever. I studied government in college, and really understand all of the jobs that the president is required to do. I have served in the Senate for the last six years and all of my fellow senators love me. They even threw me a surprise birthday party last year!

If elected, I promise to do the following: outlaw all yucky foods that kids hate, require teachers to assign video games for homework, and decrease taxes. I also plan on claiming the moon for the United States so no other country can go there.

Before I was elected to be a senator, I worked as a teacher and learned to be creative, patient, and to be a good listener. I love cheese and pickles, and I have two cats. Please vote for me on election day!
