

An "Inside Out" (Disney/Pixar) Study Guide: Understanding Emotions

1. When we meet Riley, most of the time Joy is in charge of her thoughts and personality. Which emotion(s) do you feel most often?

2. Riley and her family go through a lot of changes when they move from Minnesota to San Francisco. Have you ever gone through a big transition?

3. How are the glowing balls, or "core memories" made? What are yours?

4. What do the core memories have to do with Riley's personality?

5. When Sadness touches one of the happy core memories, she colors it blue. What do you think is going on then? Is it possible that our current moods can color our past memories? Or how we define our personality?
