

Grade 8 Math Projects

Subject: Project-Based Assessment

Dear Students (Parents),

We are excited to announce the implementation of Project-Based Learning in coming week on (Monday-Wednesday) during lesson time. This is an educational approach where students engage in hands-on projects that foster critical thinking, collaboration, and real-world problem-solving skills. This method is designed to make learning more engaging and meaningful for students, helping them develop a deeper understanding of the subjects and related topics they study. This is the part of our curriculum and these projects will be assessed and marked with rubrics. Make sure your child should not be absent from school.

The project detail is given below;

Project Title: Exploring Types of Angles with an Angle Clock Model

Watch the video: <https://youtu.be/I02V73Z72jQ?si=CD60IGSFNQjETga9>

Materials:

1. Clock Face Materials:

- Cardboard or foam board (for the clock face)
- Protractor (for accurate angle measurement)
- Ruler and compass (for drawing circles and straight lines)

2. Clock Hands:

- Cardboard or plastic sheets (for making clock hands)
