

ESL Podcast 425 – Serving Drinks and Cocktails

GLOSSARY

bartender – a person whose job is to make alcoholic drinks at a party or in a restaurant or bar

* We trained our bartender to know when to stop making drinks for people who have had too much to drink.

to mix drinks – to make special alcoholic drinks by mixing many types of alcohol, soda, and/or juice

* When Dora wanted to learn how to mix drinks, she bought a book that had instructions for all the most popular ones.

to hold (one's) own – to be able to do something just as well as other people can

* I'm not a professional swimmer, but I can hold my own in the pool.

name it – an expression used to ask a person to say what he or she wants with the understanding that one will help him or her get it

* - Can you help me with something?
- Sure, name it!

mixed drink – a cocktail; a drink made from many types of alcohol, soda, and/or juice

* Her favorite mixed drink is made with vodka, orange juice, and lemon-lime soda.

cocktail – a mixed drink; a drink made from many types of alcohol, soda, and/or juice

* Would you prefer to have a cocktail or a beer?

Screwdriver – an alcoholic drink made from vodka and orange juice

* Whenever he has a difficult day at work, he drinks a Screwdriver to help him relax.

Bloody Mary – an alcoholic drink made from vodka, tomato juice, and spices (small plant leaves with a strong flavor and odor)

* A Bloody Mary might be one of the healthiest alcoholic drinks because it is made with tomatoes.

on the rocks – with ice (used when talking about beverages)

* On a hot day, he likes to drink bourbon on the rocks.

Your Message Out Fast & Free Using Podcasts Kevin Walker, 2011 This volume provides information about how to master the art and science behind podcasting providing everything readers need to know to help generate high volume high quality podcasts A podcast or non streamed webcast is a series of digital media files either audio or video that are released episodically and often downloaded through web syndication The word replaced webcast in common use with the success of the iPod and its role in the rising popularity and innovation of web feeds **Remote Workforce Training: Effective**

Technologies and Strategies Hai-Jew, Shalin, 2014-02-28 Lifelong learning can occur both in and out of the classroom but the most valuable instruction takes place on the job [Remote Workforce Training: Effective Technologies and Strategies](#) investigates methods techniques and systems used in employee training programs The tools and technologies surveyed within these pages will help employers take their workers beyond the transient skill sets offered by university degrees and into a constant state of learning and practice that will enhance both their productivity and technical abilities on a regular basis In particular the knowledge offered by this reference book will be of use to educators and students as well as managers leaders administrators and personnel **Using WEB 2.0 Tools in the K-12 Classroom** Beverley E. Crane, 2009 In this

resource you will find a host of Web 2.0 tools available on the Internet today plus teaching and learning strategies to use them in the K-12 classroom Language arts science and social studies unit lesson plans included in each chapter exemplify topics at the elementary middle and high school levels Each chapter focuses on a specific Web 2.0 tool Blogs high school science study Podcasts immigrant topic for the elementary classroom Wikis learning about novels in high school Video digital storytelling

about energy Google tools e.g. Google Earth Maps Docs current events in social studies VoiceThread language learning for non native speakers Social bookmarking Earth Day projects Each chapter incorporates a glossary a description of the particular tool examples of its use in the K 12 curriculum how to get started and a unit plan focused on learning strategies Exercises in each chapter reinforce the concepts Readers get a complete listing of all Web sites mentioned plus access to a Web site for exercises new URLs and more

The Nutshell Guide to Fluent English Li Zi Chuang, Bill McCann, 2019-11-30

This book is part of a series which aims to help English Language Learners to become fluent in Spoken English It is the first in a planned series of three and caters for those Learners who are ready to move up to the ESL English as a Second Language Pre Intermediate level in Spoken English We begin here because in terms of the spoken language the leap from the Elementary to the Pre Intermediate level is one of the biggest hurdles faced by English Language Learners It is one of the greatest hurdles because it is at this stage that the Learner must move from simple spoken forms to a degree of fluency that begins to use more complex forms of the language As a result it is at this point that a Learner can become stuck and either give up trying to become fluent in Spoken English or fail to make any real progress There are two main reasons for this The first is that native English speakers do not speak the language in the same way that they write it The spoken word very often bears little resemblance to the written word The second is that a Spoken language must be learnt it cannot be taught By this we mean that while all learning is a two way process between the instructor and the learner when it comes to learning to speak a language something more than 80% of the work must be done by the Learner on their own One of the obvious areas where this is true is in the need to learn vocabulary To become fluent in a spoken language a great many new words must be learnt and only the Learner can do that The instructor cannot learn them for him How that vocabulary is learnt is a large issue By far the vast majority of Learners try to do this by memorising list of English words and their equivalent meanings in their native language This does not work It cannot work because it is an unnatural way in which to learn a language It is also very boring many perhaps most Learners have great difficulty in memorising and being able to use long lists of words and translations In this book you will discover a new way to learn the vocabulary that you need and how to make it fun to learn The emphasis in this book is on practical use of the language In each Unit Learners are given the opportunity to extend their vocabulary and to practice speaking the language of the native speakers We have called this Idiomatic Spoken English or everyday English All of the examples and dialogues in this book use this language It is not slang or street language but a language that uses all the shortcuts and tricks that native speakers use to keep a fluent and rhythmic flow of words when they speak Successfully reproducing the rhythm of English Enunciation is one of the main secrets of being able to speak the language fluently In this book we describe how that rhythm is actually built up and use the work of some of the great English poets to help the Learner to get a feel for the very beautiful cadences that English is capable of Each Unit includes a full poem or occasionally an extract from a very long poem with notes about the rhythm metre of the poem together with its

meaning and background Of no less importance than Enunciation is Pronunciation All Learners no matter what their native language might be have some difficulty in pronouncing English correctly For this reason great emphasis is placed on the Sounds of English and each Unit includes examples and rigorous exercises for two of the 44 sounds that make up the English language The first three Units of the book set out the essential foundations of The Nutshell Way to learn to speak English fluently Some of the six basic principles introduced in Unit One on which this is based may well surprise many Learners and not a few Instructors But our experiences as Instructor and Learner have shown us that this radical approach is not only workable but absolutely necessary if A Learner is to clear the hurdle and Learn to speak fluent English with confidence

The Complete ESL for Beginners: Lessons Guide with Activities Stephanie Lerner,2014-09-23 This guide is a simple easy to follow chronological set of lessons that has everything you need to instruct your students in best practice language education This mega teaching manual has 60 lesson plans with both new and repeating activities games songs dialogues field trips and more These lesson plans will cover all concepts that your students need to master the beginning level of English The guide kicks off with lessons to introduce students to both the English language and to language learning With best practice teaching techniques such as spiraling TPR and cooperative learning you can ease your students into English language learning The guide starts with basic lessons on beginning English concepts such as present simple verb tenses greetings school home vocabulary and pronouns The lessons then expand to build on students mastery of these initial concepts while guiding them to their next level of English skill with topics such as past tense verbs rules for plurals articles community family vocabulary and numbers to 100 With this publication you will receive an ESL EFL recommendations guide 60 ESL EFL lesson plans with both new and repeating activities an ESL EFL diagnostic test with scoring key guide dialogues vocabulary activities grammar structures games field trip ideas songs literature activities and more

IMPORTANT NOTICE This book contains some repetition in its activities from day to day The reason for this is that language learning requires repetition and consistency in order to master vocabulary and grammar concepts Thus you will find both new and repeating activities in each lesson plan of this guide

Learning English with Laughter George A Stocker,Daisy A Stocker,2014-12-06 EsL Program Guide CENGAGE Learning,1994-09-01 *The Nutshell Guide to Fluent English 2* Li Zi Chuang,Bill McCann,2019-11-30 This book is part of a series which aims to help English Language Learners to become fluent in Spoken English The first in the planned series it caters for those Learners who are ready to move up to the ESL English as a Second Language Intermediate level in Spoken English Very often English Language Learners at the Pre Intermediate level are faced with two major difficulties The first is that they have difficulty in understanding native English speakers who are speaking normally The second is that they themselves are struggling to use more complex language structures fluently There are two main reasons for this The first is that native English speakers do not speak the language in the same way that they write it The spoken word very often bears little or no resemblance to the written word The second is that a Spoken language must be learnt it cannot be taught By this

we mean that while all learning is a two way process between the instructor and the learner when it comes to learning to speak a language something more than 80% of the work must be done by the Learner on their own One of the obvious areas where this is true is in the need to learn vocabulary To become fluent in a spoken language a great many new and more complex words must be learnt and only the Learner can do that The instructor cannot learn them for him How that vocabulary is learnt is a large issue By far the vast majority of Learners try to do this by memorising list of English words and their equivalent meanings in their native language This does not work and it cannot work It cannot work because it is an unnatural way in which to learn a language It is also very boring many perhaps most Learners have great difficulty in memorising and being able to use long lists of words and translations In this book you will discover a new way to learn the vocabulary that you need and how to make it fun to learn The emphasis in this book is on practical use of the language In each Unit Learners are given the opportunity to extend their vocabulary and to practise speaking the language of the native speakers The first section of each Unit is designed to focus on the elements of Pronunciation Enunciation and Intonation when speaking English The basics of each of these elements is described and explained as we progress through the Course Great emphasis is laid as it must be on basic pronunciation of the Consonants that are found in English The mechanisms of how these sounds are produced and illustrated and sets of minimal pairs are provided to allow the Language Learner to practise making these sounds and distinguishing between those that are closely related Successfully reproducing the rhythm of English Enunciation is one of the main secrets of being able to speak the language fluently In this book we describe how that rhythm is actually built up and how it works in practice To do this make use of some great English writings and translations from the literature of other languages to help the Learner to get a feel for the very beautiful cadences that English is capable of This series has been two years in the making and most of the material in it has been extensively trialled in the classroom In addition to the material in the book a great deal of extra material including audio files and links to other useful sites will be found on our website www.nutshellbooks.net Learning English with Laughter ,2015-05-06
