and the world's food supply into a tool of control. He reveals how agenda-driven climate and animal rights policies drive up costs and destroy family farms; how reckless economic policies and global monopolization threaten famine and chaos; and how ultra-processed food is undermining our health. This book is Klar's urgent call to wake up, fight back, and reclaim food sovereignty before disaster strikes. If Americans don't stand up for their farms, they surrender control over their most basic human need. Because once you lose your food, you lose everything. *Parliamentary Debates (Hansard)*.
