

A Funny Incident

2 pages | 262 words

Hostel life is not without its disadvantages. The rich students get sufficient money from their parents and therefore spend lavishly. The poor boarders also urge their parents to increase their monthly allowance and spend their hard-earned money on luxuries. The company of the rich also makes them pick up their bad habits. They start smoking. Some of them take to intoxicants and thereby ruin themselves.

Another great defect in hostel life is the mismanagement on the part of the warden. The food supplied is simply unworthy of consumption by the students. The result in most cases is that in spite of the congenial atmosphere, they lose in health; they begin to hate the food supplied. In contrast to this is life at home.

The atmosphere at home, the love of parents, the affection bestowed on them by their brothers and sisters, the food they are supplied — all make them grow up into bright young boys and girls. A casual survey of the life of hostelers reveals the fact that most of the students who get into a merit list are those who have lived at home and not in hostels.

The fact is that a boarder has limited time at his disposal for studies because of the rigid control; there are games and limited hours of study. The turning off of light at the time when they would like to study is a stumbling block in their way. When we examine the advantages and disadvantages of living in the hostel, we are convinced that home life is the best for the students.

Father Joe Tony Hendra, 2004-05-18 A key comic writer of the past three decades has created his most heartfelt and hard hitting book *Father Joe* is Tony Hendra s inspiring true story of finding faith friendship and family through the decades long influence of a surpassingly wise Benedictine monk named Father Joseph Warrillow Like everything human it started with sex In 1955 fourteen year old Tony found himself entangled with a married Catholic woman In Cold War England where Catholicism was the subject of news stories and Graham Greene bestsellers Tony was whisked off by the woman s husband to see a priest and be saved Yet what he found was a far cry from the priests he d known at Catholic school where boys were beaten with belts or set upon by dogs Instead he met Father Joe a gentle stammering ungainly Benedictine who never used the words wrong or guilt who believed that God was in everyone and that the only sin was selfishness During the next forty years as his life and career drastically ebbed and flowed Tony discovered that his visits to Father Joe remained the one constant in his life the relationship that in the most serious sense saved it From the fifties and his adolescent desire to join an abbey himself to the sixties when attending Cambridge and seeing the satire of *Beyond the Fringe* convinced him to change the world with laughter not prayer to the seventies and successful stints as an original editor of *National Lampoon* and a

writer of *Lemmings* the off Broadway smash that introduced John Belushi and Chevy Chase to professional disaster after co-creating the legendary English series *Spitting Image* from drinking to drugs from a failed first marriage to a successful second and the miracle of parenthood the years only deepened Tony's need for the wisdom of his other and more real father creating a bond that could not be broken even by death A startling departure for this acclaimed satirist *Father Joe* is a sincere account of how Tony Hendra learned to love It's the story of a whole generation looking for a way back from mockery and irony looking for its own *Father Joe* and a testament to one of the most charismatic mentors in modern literature
