Moody's OTC Unlisted Manual ,1999 *El-Hi Textbooks & Serials in Print, 2003* ,2003 *After the Media* Peter

Bennett,Alex Kendall,Julian McDougall,2011-05-13 This provocative text considers the state of media and cultural studies today after the demolition of the traditional media paradigm and engages with the new active consumer culture Media Studies particularly within schools has until recently been concerned with mass media and the effects of the media in society and on people As new media technology has blurred the boundaries between the audience and the media the status of this area of education is threatened Whilst some have called for a drastic re think Media Studies 2 0 others have called for caution arguing that the power dynamics of ownership and gatekeeping are left intact This book uses cultural and technological change as a context for a more forensic exploration of the traditional dependence on the idea of the media as one homogenous unit It suggests that it would be liberating for students teachers and academics to depart from such a model and shift the focus to people and how they create culture in this contemporary mediascape **An Index to Articles**
