How To Make A Simple Pot Still:

How to Make a Simple Pot Still Noel Downs,2012-12-02 Distilling of alcohol and essential oils is something humans have done for centuries This is a simple straight forward guide to making a pot still capable of producing either or both Back cover

Distilling Made Easy James Newton,2012 This book has been formulated to help those who are brave enough to attempt the great art of distilling For many years the information gathered in this book has been privileged knowledge for the craftsmen who cook up our favourite tipples like Scotch whisky Irish and American whiskey Vodka Rum Grappa Raki Akvavit Poteen but know it has been translated into a guide where home based stills can distil and then blend alcohol to be aged and then savoured with your family and friends This guide gives details on how to build convert or buy stills and how to use them safely There is a section about safety and tips to guide you through the distilling process There are lots of recipes for a whole range of alcoholic drinks and detailed methods of how to get the alcohol you need from your run

Bourbon Empire Reid Mitenbuler,2016-05-10 Pulls aside the curtain of puffery to show the business of liquor to be every bit as fascinating as the fictions in which the distillers love to swaddle themselves Wayne Curtis The Wall Street Journal Walk into a well stocked liquor store and you ll see countless whiskey brands each boasting an inspiring story of independence and heritage And yet more than 95% of the nation s whiskey comes from a small handful of giant companies with links to organized crime political controversy and a colorful history that is far different than what appears on modern labels In Bourbon Empire Reid Mitenbuler shows how bourbon America s most iconic style of whiskey and the industry surrounding it really came to be a saga of shrewd capitalism as well as dedicated craftsmanship Mitenbuler traces the big names Jim Beam Maker s Mark Evan Williams and more back to their origins exploring bourbon s founding myths and great successes against the backdrop of America s economic history Illusion is separated from reality in a tale reaching back to the Whiskey Rebellion of 1794 when the ideologies of Thomas Jefferson and Alexander Hamilton battled to define the soul of American business That debate continues today punctuated along the way by Prohibition era bootleggers the liquor fueled origins of NASCAR intense consolidation driven by savvy lobbying and a Madison Avenue plot to release five thousand parrots trained to screech the name of a popular brand into the nation s bars Today the whiskey business takes a new turn as a nascent craft distilling movement offers the potential to revolutionize the industry once again But as Mitenbuler shows many take advantage of this excitement while employing questionable business practices either by masquerading whiskey made elsewhere as their own or by shortcutting the proven production standards that made many historic brands great to begin with A tale of innovation success downfall and resurrection Bourbon Empire is an exploration of the spirit in all its unique forms creating an indelible portrait of both American whiskey and the people who make it

The Ultimate Guide to Homesteading Nicole Faires,2011-03-10 Can you make your own bread sans bread machine Grow a garden all winter What can you use instead of toilet paper What if the power went out for a month What if the grocery store closed Can you make a solar oven Store food

without electricity Raise a water buffalo Make fine linen from stinging nettle Make your own shampoo Deliver a baby Is it possible to be totally self sufficient This massive full color book answers all these questions and thousands more and includes checklists diagrams and instructions on how to buy a sheep All of the information included meets these criteria It is something that anyone can do without special training It can be done with relatively few supplies or with stuff you can make yourself It has been tried and tested either by the author the military doctors or other homesteaders The Ultimate Guide to Homesteading is not a storybook or a cookbook It is a practical guide with nitty gritty details on everything a homesteader can do step by step with hundreds of color illustrations and pen and ink sketches You can do it This book can help

Journal of the Institute of Brewing ,1905 Containing the transactions of the various sections together with abstracts of papers published in other journals etc *Kentucky Moonshine* David W. Maurer,2021-10-12 When the first American tax on distilled spirits was established in 1791 violence broke out in Pennsylvania The resulting Whiskey Rebellion sent hundreds of families down the Ohio River by flatboat stills on board to settle anew in the fertile bottomlands of Kentucky Here they used cold limestone spring water to make bourbon and found that corn produced even better yields of whiskey than rye Thus the licit and illicit branches of the distilling industry grew up side by side in the state This is the story of the illicit side the moonshiners craft and craftsmanship as practiced in Kentucky A glossary of moonshiner jargon sheds light on such colorful terms as puker slop and weed monkey With a new foreword by author Wes Berry David M Maurer s classic history of this subject is tongue in cheek but nevertheless provides a realistic look at the Kentucky moonshiner and the moonshining industry
