Allgeier,Albert Richard Allgeier,1984 **The Mystery of Joyful Sex** LAURA SCOTT,2012-09-10 The text printed on the previous pages is devoted to three issues the joy of sex intimate massage and erotic games and foreplay Their keystone is intimate touch Its function cannot be overestimated not only in its relation to sex but also to health personal well being cheerfulness and life energy etc Its most evident role is in intimate massage Of course things are different between people dear to one another and strangers In the first instance intimate massage can be a prelude to sex while in the second case it is just a service performed for a specific purpose This publication is intended just as much for the single audience as it is for couples This is why sex and massage are intertwined together in this book However it does not mean that the author is encouraging sexual intercourse at the end of a massage Unless of course it is a result of the partners closeness and spontaneity First of all this publication shows the outstanding role of intimate touch for our health and well being Therapeutic intimate massage is not an overstatement for this special kind of massage because its proper use leads to the production of large amounts of endorphins which affect our mood This mechanism of our brain activity was described in *Sexual Healing* by Barbara Keesling PhD It turns out that the same results can be achieved during intimate massage So this is why more than 300 ways of erotic and intimate touch are described in the book One does not have to check out all of them

but instead finding a reasonable quantity that corresponds to the temperament is recommended Human Sexuality, Study Guide Bobbi Mitzenmacher, Bryan Strong, Christine DeVault, 1994 The Passionate Touch Nitya Lacroix, 2003-10-31 This book is designed to allay our fears allowing us to gain confidence and pleasure through a greater understanding of our own and our partner's bodies A Beginners Guide to Cunnilingus Jodie Spencer, 2020-04-28 Did you know In a recent survey 90 percent of women said that they had to fake orgasm just to make their partners happy And 80 percent believed they could predict what a long term relationship would be like based on a first sex In this book the Best Tips Techniques and Advice relationship expert Jodie Spencer reveals everything you need to know to master the art of cunnilingus If you're new to oral sex your partner will never guess it once you have the benefit of all that this book has to teach Why Women Love Oral Sex What Happens When She Gets Horny Keys to Great Cunnilingus and lots more Click the BUY button now and add a much needed spice to your relationship Study Guide to Accompany Human Sexuality Ruth K.
