## Microscope Lab Activity

### Introduction:

Microscopes are an amazing invention; able to observe specimens to the tiniest degree. No matter how small, we are able to view an endless amount of life forms, all because of microscopic technology. Scientists are opened to a whole new world, things undiscovered, things never seen before. Now it is open to everyone. In our very Biology I class, we are privileged to witness one of these man-made wonders, and it can only make us wonder how much more we don't know. We can only learn through observation.
