

FIRE ENGINEERING'S STUDY GUIDE FOR FIREFIGHTER I AND II

BY ANTHONY AVILLO AND JAMES KIRSCH

A dramatic scene showing the silhouettes of four firefighters in full gear, including helmets and jackets, standing in a line against a massive, intense fire. The fire is a large, billowing wall of orange and yellow flames, filling the background. The firefighters are positioned in the lower third of the frame, their dark forms contrasting sharply with the bright, glowing fire. The overall atmosphere is one of bravery and the scale of the fire they are facing.
