Commentary on the Old Testament ..., 1907 **Commentary on the Old Testament** Daniel Denison Whedon, 1907

Old Testament Theology Paul R. House, 1998-11-04 Paul R House provides a comprehensive theology of the Old

Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon **Haggai, Zechariah 1-8** Carol Meyers, Mary Grace Wilson Professor of Religion Carol Meyers, Eric Meyers, 1995-03 Haggai Zechariah 1-8 Volume 25B in the acclaimed Anchor Bible part of the Scripture known as the Minor Prophets were written during a critical period in Israel's history the momentous return of the Jews from Babylonian exile Following the conquest of Babylon by the Persian Empire the Israelites sought to reestablish their ethnic and religious legacy in Judah This was a time of profound turmoil and uncertainty and Haggai and Zechariah provided a crucial measure of support and inspiration They rallied Israel's energies and exhorted their fellow countrymen to heed the word of God Under their guidance the Jews restored the Temple at Jerusalem which had been destroyed by the armies of Nebuchadnezzar Together the two prophets guided Israel through an important transitional epoch and reconciled the influences of Persia's dominion with the sacred traditions of the Hebrew people In this illuminating new translation and commentary Carol and Eric Meyers consider the Book of Haggai and the first eight chapters of the Book of Zechariah in a linguistic social and historical context They underscore the literary artistry the political acumen and the prophetic authority of these fascinating volumes that proved so vital to the survival of Israel and the preservation of the Jewish faith **The Seventh-Day Adventist Bible Commentary** Francis David Nichol, 1954 **Remnant Study Bible**

Verse by Verse Commentary of the Book of Haggai DR. PAUL CRAWFORD, 2025-12-01 Introduction to Verse by Verse Commentary of the Book of Haggai The Book of Haggai is one of the shortest and most precisely dated books in the Old Testament The prophet Haggai My Feast ministered during a crucial moment in the history of the Jewish people the early post exilic period specifically the second year of the Persian King Darius I 520 B C The book is unique because it is a direct record of four prophetic messages delivered within a four month period all focused on a single urgent command Rebuild the Temple Historical Context The Problem of Priorities Fifty thousand Jewish exiles had returned to Jerusalem from Babylon in 538 B C under the decree of Cyrus the Great They quickly laid the foundation for the Second Temple but opposition from local officials and the people s own apathy and discouragement led them to abandon the work for nearly sixteen years When Haggai began to prophesy the people were comfortable in their own lives they had built fine paneled houses for themselves but the House of the LORD lay in ruins 1 4 This misplaced priority was the central crisis Haggai addressed The entire book is built around four dated oracles each designed to prod the people to action 1 First Message The Crisis of Priorities Haggai 1 1 15 Date The first day of the sixth month August 29 520 B C The Diagnosis Haggai s opening message challenges the people s misplaced priorities asking why they dwell in paneled houses while God s house lies waste The Consequence The resulting economic hardship failed crops drought and lack of satisfaction is a direct consequence of their disobedience God is withholding His blessing because the Temple is neglected The Response This message achieves immediate success The people led by Governor Zerubbabel and High Priest Joshua respond by beginning the work again just 23 days later 2 Second Message The Promise of Glory Haggai 2 1 9 Date The twenty first day of the seventh month October 17 520 B C The Discouragement Some elders who remembered the splendor of Solomon s original Temple lamented that the new foundation was insignificant compared to the first The Encouragement Haggai delivers a powerful message of hope Be strong and work for I am with you God promises that the future glory of this latter Temple will be greater than the former and in this place God will grant peace This prophecy points directly toward the coming of the Messiah 3 Third Message The Curse of Defilement Haggai 2 10 19 Date The twenty fourth day of the ninth month December 18 520 B C The Principle of Holiness Haggai asks the priests two questions about ritual cleanness and uncleanness proving that defilement spreads more easily than holiness The Application The prophet applies this truth to the people s work the years of neglecting the Temple defiled their lives and labor From this day forward however because they have laid the stone God promises to bless them 4 Fourth Message The Messianic Signet Haggai 2 20 23 Date The twenty fourth day of the ninth month December 18 520 B C The Promise to Zerubbabel Addressed specifically to the governor a descendant of David this is a distinct eschatological oracle God promises to shake the heavens and the earth overthrowing the kingdoms of the nations The Messianic Climax In that day

God will make Zerubbabel His signet ring The signet ring symbolized authority and royalty pointing to the continuation of the Davidic line and ultimately finding its fulfillment in the Messiah Jesus Christ The Scope of this Commentary This verse by verse commentary will guide you through the focused chronological structure and powerful theological points of Haggai We will focus on Practical Application Analyzing the connection between the people s misplaced priorities their houses vs God s house and the resulting lack of divine blessing Theology of Presence Examining God s command I am with you as the primary source of encouragement against spiritual fatigue and historical discouragement The Messianic Line Interpreting the prophecy concerning the greater glory and the signet ring as vital links in the prophetic chain leading to Christ By studying the Book of Haggai you will learn the necessity of prioritizing God s will and work in your life and gain assurance in the certain glorious completion of God s redemptive plan

An American Commentary on the Old Testament: The book of Proverbs [1904] ,1904 Philip Melanchthon (1497-1560) and the Commentary Timothy Wengert, M. Patrick Graham, 1997-10 Philip Melanchthon 1497 1560 and the Commentary celebrates the 500th anniversary of Philip Melanchthon s birth by highlighting one of his most important contributions to the intellectual world of Renaissance and Reformation commentary on ancient texts This book brings together essays not only by recognized connoisseurs of Melanchthon s thought but also by experts on other figures and movements within the Renaissance and Reformation in order to provide a more accurate measure of the man and his distinction from and influence on other thinkers of his day It also investigates both Melanchthon s wrestling with biblical texts and his equally significant exposition of other prominent ancient authors
