does a webmaster or online market manager go for advice and instruction on optimizing a business's website for higher search engine rankings? The few search engine optimization (SEO) books currently on the market are dated and do not cover the latest local, mobile, and social marketing techniques. *The Complete Idiot's Guide to Search Engine Optimization* is a comprehensive, up-to-date, easy-to-use guide for SEO. It starts with a general overview of how search engines and SEO work and then flows into specific techniques for basic website optimization. It addresses the analysis and ongoing maintenance of a site's optimization and finishes with a look at how search engine marketing fits within a company's overall online marketing plan. In *The Complete Idiot's Guide to Search Engine Optimization*, readers learn: How search engines and SEO work; How to optimize your site's keywords, tags, and design; How to optimize the links to your site; local and mobile searches and social media; How to apply the strategies to a blog and web videos for search engines; How to use third-party SEO tools; How search engine marketing fits within a company's overall online marketing plan.
