

THE 8-STEP MODEL

Step 1: Define the Business Opportunity

Identify the business opportunity and assess its potential. This step involves:

Market Research

Conduct market research and analysis to determine if you possess the necessary resources, capabilities, and experience to succeed in the market. This includes identifying the target market, understanding the competitive landscape, and assessing the overall market potential.

Business Model

Develop a business model that outlines how you will generate revenue and manage costs. This includes identifying the value proposition, the revenue streams, and the cost structure. It also involves determining the key resources and capabilities needed to succeed in the market.

Financial Model

Create a financial model to estimate the costs and revenue of the business.

Legal Structure

Choose a legal structure for your business, such as a sole proprietorship, partnership, or corporation. This step involves understanding the legal implications of each structure and consulting with a lawyer to ensure you are compliant with all applicable laws and regulations.

Operational Plan

Develop an operational plan that outlines the day-to-day activities of the business, including hiring, marketing, and sales. This step involves identifying the key tasks and responsibilities of each employee and determining the resources needed to execute the plan.

Marketing Plan

Create a marketing plan that outlines the strategies and tactics you will use to attract and retain customers. This includes identifying the target market, understanding the competitive landscape, and developing a mix of marketing channels and tactics.

Operational and Financial Review

Regularly review the business's performance against the operational and financial models.

Business Review

Conduct a regular business review to assess the overall performance of the business and identify areas for improvement. This involves analyzing the financial statements, the operational plan, and the marketing plan to determine if the business is meeting its goals and if any adjustments need to be made.

Financial Performance in 2024

Review the financial performance of the business in 2024, including revenue, expenses, and profit.
