

# Model MLA Paper: A Visual Formatting Guide

This is a **header**. In MLA, you don't need a title page, but it is recommended to have a 4-line header with your name, teacher, class, and date.

Jane Doe  
Dr. S.  
English 4900  
16 October 2016

Create an original **title** for your project and place it in the center of the page.

The Unity of Story in Tolkien's Works

Doc 1

**Double space** the whole paper. This is standard for all style manuals, unless you are instructed otherwise.

Story in the form of myth, legend, and song serves to unify all of Tolkien's *The Silmarillion*, *The Hobbit*, and *The Lord of the Rings*. Five hinges on a previous one, connecting each situation with all situations of legend, and song within the stories to connect them and hint at a continuation of the written pages.

These titles are in *italics* because they are books. **Long works** like books, magazines, and newspapers are always in *italics*. **Shorter works** like short stories, songs, and poems are denoted by quotation marks ("Title"), without italics.

*The Hobbit* is the first story having to do with the Ring, thus bringing its adventurous tale into the unifying mix of *Tolkien's* works. Many key characters are introduced, such as Bilbo Baggins, Gollum, and Gandalf. In this work, song is used to connect Bilbo to Gollum when they play a game of riddles and discover that they know many of the same ones (*The Hobbit* 76-77). In this way, Tolkien introduces the saga of the Ring, unifying this book with *The Lord of the Rings*. Song is also used to introduce the spiders in Mirkwood related to Ungoliat, from *The Silmarillion*, and later to Shelob, from *The Lord of the Rings*, when Bilbo sings to escape them (158-59). The myths of the ancient past are ushered in with the dwarves, who sing a dirge to explain the history of their feud with the *The Silmarillion*. Thus song a works.

**In-text citations** usually include the author (last name) and location of the quote or information that's being used.  
Example: (*Tolkien* 76-77).

In this case, the author's name, Tolkien, was mentioned earlier in the paragraph, so it does not need to be included in the first in-text citation. Since more than one Tolkien work was mentioned, we included the title (*The Hobbit* 76-77).

When citing the same work again (158-159), only the page numbers are needed. The only reason to include *The Hobbit* again is if a different work is referenced between the citations.

*The Lord of the Rings* starts
