## **Facing Heartbreak Recovery Partners Addicts:**

Facing Heartbreak Stefanie Carnes, Mari A. Lee, Anthony D. Rodriguez, 2012-10-16 The first workbook to help partners of sex addicts cope with discovering their loved one has compulsive sexual behaviors

Mending a Shattered Heart Stefanie Ph.D. Carnes, 2014-08-12 When your partner betrays what are the first steps to picking up the pieces of your shattered heart Many unsuspecting people wake up every day to discover their loved one the one person whom they are supposed to trust completely has been living a life of lies and deceit because they suffer from a disease sex addiction This is a disease shrouded in secrecy and shame This is your go to guide for what to do when you discover your partner is a sex addict Each chapter is based on frequently asked questions by partners such as Should I Stay or Should I Go Is This Going to Get Better How Do I Set Boundaries and Keep Myself Safe and What Should I Tell the Kids

**Forgotten Victims of Sex Abusers** William F. Kraft, 2020-03-11 This book honors the courageous sex victims who exposed their abusers The spotlight and rightly so has been on them and their predators William Kraft contends however that little attention and help has been given to those who unknowingly knew a sex offender people such as spouses family friends and parishioners the unintended victims Kraft gives these forgotten and silent victims a voice He recognizes listens and responds to people who trusted often admired and perhaps loved a sex offender the shocked woman whose husband is found guilty of sexual assault the stunned parents and disillusioned parishioners of a pedophile priest the lost man of an unfaithful wife and the depressed parent of a promiscuous child Kraft wants us to cease forgetting these victims and offer them help His proposal is that sex abusers cause severe and lasting harm because their defilement is not only physical but also emotional social and most importantly spiritual because abusers violate bonds such as trust fidelity and love Thus Kraft offers concrete psychological and spiritual ways to achieve effective management and healing

**Behavioral Addictions** Kenneth Paul Rosenberg MD, Laura Curtiss Feder PsyD, 2014-02-17 DSM V broke new ground in May of 2013 designating a new disorder called behavioral addiction Clinicians immediately wanted to know how is a behavioral addiction different from an impulse control disorder What are the criteria for determining that some behaviors are addictions rather than impulses What if anything does this mean in terms of effective treatment Behavioral Addictions is the first and most authoritative text ever written on the subject of behavioral addictions This comprehensive work explains the criteria used to determine addiction the evidence for identifying assorted behaviors as addictions and the evidence based treatment for each With contributions from preeminent experts covering an exhaustive list of behavioral addictions this book is unique in its coverage of behavioral addictions their criteria and treatment It is a valuable and timely resource for any clinician treating addictions A guide to understanding the new DSM V designation of behavioral addiction Defines the criteria for behavior to be considered an addiction designation Discusses the evidence for behaviors meeting addiction criteria Identifies what is now likely will be and is not a behavioral addiction per evidence Discusses behaviors formerly considered impulse control disorders Presents evidence based treatment for each

behavioral addiction      **Clinical Management of Sex Addiction** Patrick J. Carnes, Kenneth M. Adams, 2019-11-28 Clinical Management of Sex Addiction's newest edition updates many of the original chapters from 28 leaders in the field with new findings and treatment methods in the field of sex addiction. With a growing awareness of sex addiction as a problem plus the advent of cybersex compulsion, professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation. This is the first book distilling the experience of the leaders in this emerging field. It additionally provides new chapters on emerging areas of interest including partner counseling, trauma, and sexual addiction and adolescent sex addiction. With a focus on special populations, the book creates a current and coherent reference for the therapist who faces quickly escalating new constellations of addictive sexual behavior. Readable, concise, and filled with useful interventions, it is a key text for professionals new to the field and a classic reference for all clinicians who treat sex addiction.

**Always Turned On** Robert Weiss, Jennifer Schneider, 2015-01-04 Technology has significantly changed our world. Sexual imagery and encounters can now be accessed anywhere, anytime using portable electronic devices. Users can generate a stream of graphic pornography, a wide variety of virtual sexual activities, and casual, anonymous or paid-for sexual encounters with a click or a tap. We now have greater access to highly stimulating sexual content and potential sexual partners with much less built-in accountability. Porn addicts are especially vulnerable to the lure of digital technology and the seemingly endless array of stimulation it provides. Research suggests that cyber porn addicts spend at least eleven or twelve hours per week online viewing porn. Today, all forms of sex addiction are technology-driven, from porn websites to webcams to casual sex hook-up apps via smartphones. Sex addicts organize their lives around the pursuit of sexual activity with self or others, spending inordinate amounts of time viewing and masturbating to porn or planning, pursuing, and engaging in sex acts. At the same time, they neglect important relationships, work, and personal responsibilities. Overwhelming feelings of guilt, shame, and remorse invade when the acting out ends. While its complicated recovery is possible, *Always Turned On* shows readers how to turn those temptations off while providing practical, long-term solutions for recovery.

*Behavioural Addiction in Women* Fulvia Prever, Gretchen Blycker, Laura Brandt, 2023-06-28 *Behavioural Addiction in Women* gives insight into ongoing research efforts and clinical developments across the globe, focusing specifically on women with behavioural addictions. The book brings together an international network of clinicians and researchers to offer a unique transcultural female perspective on female-specific aspects of addiction, which is underrepresented in the available literature. By compiling both research and clinical spotlights focusing on women with behavioural addictions across the six continents, the book is an important first step towards building a shared knowledge base on the subject, starting from the importance of female-specific diagnostic criteria to new therapeutic strategies, prevention programs, and harm reduction approaches. This book will help us gain a better understanding of ongoing work and where to allocate our attention and efforts for helping a vulnerable and in many areas of the world still underserved and economically disadvantaged population. The book will be of great interest to

researchers and clinicians in the field of addiction
