**Amy Bonsall**

## Malawi Msce Syllabus:

Shakespeare in Malawi Amy Bonsall, 2025-04-14 This book critically examines the forces and events that led to Shakespeare performance becoming an important part of the contemporary Malawian cultural and educational landscape. It brings together archive material, interviews, existing literature, and practice as research to understand, examine, and interrogate theories of intercultural theatre and post-colonial theories to highlight the unique practice of Shakespeare production in Malawi. A timeline of Shakespeare productions in Malawi is included, spanning the colonialist period through to the present day. The book explores local adaptations of *As You Like It* and *Macbeth* and the translation into Chichewa of *Romeo and Juliet*, providing a unique insight into the practice and methodologies of Malawian Shakespeare translation, including the role of women as performers and artists. It looks at the current state of drama and theatre in Malawi and what the future of Shakespeare in Malawi might look like.

*Language Planning in Malawi, Mozambique and the Philippines* Robert B. Kaplan, Richard B. Baldauf, 1999 This volume covers the language situation in Malawi, Mozambique, and the Philippines, explaining the linguistic diversity, the historical and political contexts, and the current language situation, including language in education, planning, the role of the media, the role of religion, and the roles of non-indigenous languages. The authors are indigenous and have been participants in the language planning context.

Trends in Malawian Literature Francis P. B. Moto, 2001 *Trends in Malawian Literature*'s departure point is a brief examination of how Malawi's post-independence politics affected the Malawian literary landscape and an assessment of the early missionaries' contribution to early Malawian literature in the local languages. That done, it discusses messages in the early literature. The conclusion drawn is that the early literature in Malawi, like most African countries, was a potent mouthpiece for Christian doctrine and western values. Against this background, *Trends in Malawian Literature* assesses the concerns of later writers who, although beginning to move from the good versus evil dichotomy, still emphasize that socially and culturally one is either an *insider* initially and turns to be good later or vice versa.
