

Progress Tests

Instructions

The Progress Tests (p200–p223) are designed to be used after students have completed each unit of the Student's Book. Each Progress Test checks students' knowledge of the key language areas taught in the unit. The final exercise of each Progress Test also tests students' knowledge of language taught in previous units. It is helpful for students to have done the Review section at the end of each unit before doing a Progress Test. You can also encourage students to revise for the test by reviewing the relevant Language Summary in the back of the Student's Book and by doing exercises for that unit on the CD-ROM and in the Workbook. Note that Progress Tests 6 and 12 also contain a listening section.

- Allow students 40 minutes for Progress Tests 1–5 and 7–11, and 50 minutes for Progress Tests 6 and 12. You may wish to adjust this time depending on your class.
- Photocopy one copy of the test for each student. Students should do the tests on their own. You can either check the answers with the whole class at the end of the test or collect in the tests and correct them yourself. Keep a record of the test scores to help you monitor individual students' progress and for report writing at the end of the course.
- Progress Tests can also be given as homework for general revision.

Listening tests

There is a listening section in Progress Tests 6 and 12 only. The corresponding recording scripts (R6.9 and R12.8) are in the Answer Key for the tests. Both R6.9 and R12.8 have two separate sections. Focus on one section of the recording at a time. Allow students time to read through the questions for that section in the Progress Test before you start. Play that section of the recording without stopping and allow students to answer the questions. Then play that section of the recording again without stopping. Repeat this procedure for the other section.
