Understanding Emotional Intelligence Frances Kay, Neilson Kite, 2011-11-03 Emotional intelligence more than IQ and technical know how gives a valuable competitive edge to organizations and is crucial to the success of individuals Used to its full advantage emotional intelligence can improve relationships with vital business contacts to achieve your desired outcomes help you perform better at interview and job applications and improve your decision making on a day to day basis By applying the principles of emotional intelligence to the working environment and describing familiar situations in jargon free language Understanding Emotional Intelligence will show you how to negotiate more effectively develop leadership skills develop an emotionally aware organisation use EQ as a management strategy manage relationships with colleagues and develop your self confidence Featuring ten traits of emotionally intelligent people and including advice on social networking and communication Understanding Emotional Intelligence provides clear and realistic guidance in a common sense way helping you to make radical changes in the way you approach people life and work Emotional Intelligence Explained Ryan Thant, 2018-05-18 What is EQ How does it compare to IQ How could I be more emotionally intelligent How can EQ improve my quality of life Why is EQ important The truth is that a successful life is defined by the relationships we have It isn't how wealthy talented or intellectually gifted you are These are all important sure but your ability to control your own emotions and recognize how others feel will take you much farther in life If you have always yearned to understand people gain confidence in yourself and enjoy better relationships then you need to learn about emotional intelligence There are a lot

of people who wish to understand how to become more emotionally intelligent I'm sure you do too otherwise you wouldn't be interested in this book. The problem is that most of the information you find online barely scratches the surface when it comes to explaining what emotions are and how they work. It's difficult to find a book that unravels emotions while also showing you how to manage them in a simple step-by-step way. This is why I have decided to take a different approach with this book. Not only do I delve into the roots of your emotions, I also provide you with clear steps that you can take to improve your emotional intelligence. I also take the time to show you how to manage the emotions of others. If you have always struggled to understand how emotions impact our present and future lives, then this book will provide you with the best answers to all your burning questions. The book begins with an in-depth analysis of emotions: what they are and why they are important. I also provide a detailed comparison of Intelligence Quotient (IQ) and Emotional Quotient (EQ). You will also learn about how to increase your EQ, enhance your self-perception, and eliminate negative emotions. Everything you learn here will benefit your personal and professional relationships immensely. I have studied the science behind emotional intelligence for a few years now, and I can tell you that this is a fascinating subject. Before I began looking into it, I always assumed that developing my IQ would give me a better chance of success in life. But what I learned about emotional intelligence changed everything. Once I committed myself to improving my EQ, I began to realize that I could manage my emotions better, and I was able to read people's body language and facial expressions like a book. My relationships were transformed on so many levels, and suddenly I was much happier than I had ever been. When you begin to take action to become more emotionally intelligent, your mental, physical, and emotional wellbeing will drastically improve. I can promise you that this book will help you build your confidence and revitalize your relationships. If you have been struggling to control your emotions or manage the emotions of people around you, then you need to grab this book. Don't wait any longer. Ignoring your emotions can cost you a lot. Learn how to tap into your feelings and become better at building and maintaining happy relationships. I can assure you that your life will never be the same again. In this book, you will learn: You and Your Emotions, Understanding Emotional Intelligence, Cognitive Intelligence Versus Emotional Intelligence, Self-Perception and Emotional Intelligence, How to Increase Your Emotional Quotient, Forming Emotionally Intelligent Relationships, and Much More. Are you ready? Then buy this book and start reading today. Success and happiness are waiting for you on the other side.

Emotional Intelligence: The Emotional Intelligence Book - Emotional Intelligence at Work and Emotional Intelligence Leadership John C. Allen, 2017-05-15 Emotional Intelligence The Emotional Intelligence Book Emotional Intelligence at Work and Emotional Intelligence Leadership This Emotional Intelligence Book will answer the question what is emotional intelligence also referred to as EI As the book works to define emotional intelligence through the four main branches it dives deeper into explaining each branch in hopes of bringing about a higher self awareness in the reader Most people walk around with low emotional intelligence out of ignorance They do not know because they have never been taught Some crowds believe that the emotionally intelligent are as smart as those with high IQ s People in positions of leadership show a higher aptitude of EI for being able to help others to calm the crowd and to work well under pressure without cracking Each of the four branches of the emotional intelligence

theory is explained in full detail The first branch is emotional perception The second branch is emotional reasoning The third branch is emotional understanding and the fourth branch is emotional management Each branch has an explanation on how to do it how to perceive how to reason how to understand and how to manage the emotions In leaning this we can then learn how to improve emotional intelligence Emotional intelligence training helps to make leaders out of people and helps people to learn more about themselves and they will learn how to handle their emotions A person with a high level of emotional intelligence has learned how to control their reaction to their emotions and they can also help others with their responses to emotions The emotional intelligence definition shows that we are whole people who have emotions and will go through emotional times but that we can control our reaction and responses to these emotions instead of allowing the emotions to show as raw and out of control
