Essentials Of Firefighting 5th Edition Workbook:

Essentials of Fire Fighting , 5th Ed., Student Workbook Beth Ann Fulgenzi, International Fire Service Training Association, Melissa Noakes, Michelle Skidgel, 2007 The student workbook is intended as a study aid for students who will be participating in a class based on both the Essentials of Fire Fighting 5th edition manual and the Essentials of Fire Fighting and Fire Department Operations 5th edition manual. Instructors may choose to integrate these workbook activities into their classes or use them as homework assignments or pre course work. Answers to the exercises are in the curriculum materials not in the workbook. The information is divided into Firefighter I and Firefighter II sections. Different types of questions and activities are used to reinforce different learning styles and best present the information that is being addressed. References to page numbers are included in the workbook so students can use the product as a self study tool by referring to the manual for correct answers. The use of the workbook will help improve student performances.
