Who Cares About Education? Eric Macfarlane, 2016-11-30 We all have opinions on education but how far do we understand the powerful forces that shape the learning experiences of our children and young people Eric Macfarlane takes a critical look at the traditions government policies and individual ideologies that currently determine priorities in our schools colleges and universities His disturbing conclusion is that we are fast losing sight of the basic principles that underpin effective learning and teaching Who Cares About Education is a call for concerted action from all who share an interest in young people and the way in which we prepare them for adulthood This wise book will speak to a wide range of audiences and prove an important resource for a generation of teachers parents and young people who sense that something has gone very wrong in today s system

Melissa Benn Eric Macfarlane has a real gut feeling for what education should be about At a time when discussion is mainly about exam results and giving schools new titles he provides a forceful reminder of what really matters in educating our young people

Chris Green MBE Education remains political dynamite with teaching professionalism and autonomy constantly undermined and school leaders flung aside like football managers in a bad season That s why we need books like Eric Macfarlane s restoring perspective channelling rage providing historical context and voicing solutions It s a book for all who care about real education

Geoff Barton Eric Macfarlane shares his passion for a broad and balanced curriculum and emphasises the enormous benefits of the arts as a serious part of every child s education and well being His book will empower us to ensure accessibility to the arts for future generations

Dame Evelyn Glennie Eric Macfarlane has taught in and been head of both secondary modern and grammar schools He was the founding principal of Queen Mary s College one of Hampshire s pioneering 16 comprehensive colleges and has been an LEA adviser examiner and assessor of several different

initiatives to improve the learning and teaching processes in both schools and universities Whilst Principal of Queen Mary's College he was seconded to Keble College for a year to assist with the Oxford Department of Education's introduction of a school based teacher training course He worked at the University of Surrey and Birkbeck College promoting the Enterprise in Higher Education initiative before becoming academic staff adviser in University College London Eric has had a long association with out of school learning initiatives and was chair of the Governing Council of the Active Training and Education Trust He received the OBE in the Queen's Birthday Honours List in 1988

Local Literacies David Barton, Mary Hamilton, 2012-11-12 Local Literacies is a unique study of everyday reading and writing By concentrating on a selection of people in a particular community in Britain the authors analyze how they use literacy in their day to day lives

The British National Bibliography Arthur James Wells, 2007

Implementing G.C.S.E., 1988

The Use of English, 2001

School Improvement Jean Rudduck, Roland Chaplain, Gwen Wallace, 1996 This book provides a picture of how teaching learning and the organisation of secondary schooling might be improved Drawing on a wealth of data from interviews with 80 pupils it will help teachers to gain insight into pupils' perceptions of school

The Complete Guide to Becoming an English Teacher Stephen Clarke, Paul Dickinson, Jo Westbrook, 2004-03-22 I could not help but admire the breadth and scope of this text This is a book I would recommend to all no matter what route they take to train as a teacher of English It is aimed at secondary teachers but would be equally useful for those preparing to teach in further education Not only does it provide concise and balanced accounts of key pedagogic issues it also includes a range of interesting and engaging lesson suggestions This book does cover a lot of ground with excellent chapters on planning assessment teaching reading and teaching poetry This is a text that should accompany every student teacher of English and find its way on to the shelf of all practising teachers This book excited me It is written in a style that makes you want to try out activities and take up challenges This book will encourage the student teacher to embrace the subject of English along with its associated values and debates
