Spend just a little more to get a lot more from this professional, versatile printer.²

- **Print high-quality images quickly.** Print high-quality images on A3+/B+ -size media at four minutes per page in Normal print mode. - **Experience full color workflow support.** Your design software choices expand when you use the HP Designjet 90 Printer series, which enables color solutions for every color workflow. The print preview ensures correct layout and you can add optional EFI software if you need color management in a CMYK workflow.
