### GED Essay Overview

Since the GED Exam is administered on a computer, you will type your essay into a text box. You will first be presented with two Stimulus Passages and then you will be given an essay prompt. The Stimulus Passages will each have 4–5 short paragraphs that introduce an issue and take a stance on that issue, with one passage opposing the other. You will then be given the following prompt:

*In your response, analyze both positions presented in the article to determine which one is best supported. Use relevant and specific evidence from the article to support your response. Type your response in the box below. You should expect to spend up to 45 minutes in planning, drafting, and editing your response.*
