Ged Essay Scoring Guide:

Contemporary's Scoring Guide for the GED Assessment Program, 1988 **GED Examiner's Manual** GED Testing Service (Center for Adult Learning and Educational Credentials), 2002 **The Official Teacher's Guide to the Tests of General Educational Development** Richard Swartz, 1987 **Resources in Education**, 1986 Test Development and Validation Gary Skaggs, 2022-01-04

Test Development and Validation by Gary Skaggs summarizes the latest test theories frameworks for test development and validation and guidance for developing tests in straightforward language in one core text. Students looking for clear concise explanations of measurement validity and test development within a real world context and with numerous examples will find this book to be an excellent learning resource. Author Gary Skaggs takes years of experience teaching test development to graduate students across social and behavioral sciences and consulting on a wide variety of government and institutional research projects to offer students a thorough jargon free and highly applied book to help propel their own research and careers.

Part I of the book *The Big Picture* sets the stage for test development placing it within the larger context and history of measurement emphasizing measurement concepts and their evolution over time. Part II *Test Development* covers the technical details of instrument and test development in logical order. *Validation* Part III links the conceptual bases provided in Part I with the technical process provided in Part II to conclude the book. For those students wanting to go further software suggestions are referenced in the technical chapters while *Further Reading* sections offer the original sources for more details. Exercises and Activities at the end of each chapter provide students a variety of ways to apply their knowledge from conceptual questions to brief project ideas to data analysis problems.
