*Breaking Curses Deliverance Manual* Gene Moody, 2016-10-27 Most Christians have absolutely no knowledge of curses how they are triggered who initiates curses and what to do if we are operating under a curse Some churches even deny that Christians can be living under a curse even though the Bible clearly indicates otherwise If you are living with a curse you might feel like you have to work ten times harder than others in your field just to make the smallest amount of progress Or perhaps you feel like you move ten steps forward only to be pulled back nine steps The Bible lists many blessings that we can gain from God but the Bible also lists over 40 curses that can be triggered when we sin against God Once identified what can we do about curses that are ruining our lives and affecting those we love Many believers have cursed objects and cursed children's toys within their house We also have doors that we have unknowingly opened that give occultists and witches legal permission to attack us This book will teach you how to identify curses and how to break them off of your life your home and your family Gain freedom from curses and live the life God intended for you
