Go Giver Sample Long Term Plan:

Giving is Good For You John Nickson,2013-05-23 Inequality in Britain is on the rise Does this matter Should we be bothered that the rich give proportionately much less than the poor And that only a small minority of the very wealthy are giving generously Ninety per cent of NHS trusts are restricting routine operations Youth unemployment is at record levels Meanwhile those on the Sunday Times Rich List have increased their wealth by 280 per cent since the turn of the millennium amidst press reports of massive tax avoidance For the first time in living memory children cannot expect to be as well off as their parents Wealth and privilege are under scrutiny Giving is Good for You demonstrates that growing inequality and poverty are a threat to everyone even the wealthy and that the most unequal societies are the most dysfunctional unhealthy and violent A generous minority are urging their peers to follow suit arguing that in addition to enhancing public benefit as public spending falls giving can be personally fulfilling particularly for those who realise that money is not the key to human happiness The author asks philanthropists charities and those they support what should be done to encourage us to give more of our money and more of our time to good causes The solutions they propose will challenge us all but particularly the wealthy elite and the government

Timelines into the Future Sheila R. Ronis,2007-05-15 Timelines into the Future Strategic Visioning Methods for Government Business and Other Organizations argues that foresight is an important aspect of winning in the 21st Century That includes countries companies and other organizations from universities to hospitals to non profits If the United States wants a future in which liberty prosperity and peace are increasing throughout the world the U S must remain a superpower That requires planning vision and a grand strategy Failure to develop a U S vision and national strategy that ensures our superpower status may yield a future where China or another emerging power will dictate the world Every organization needs a vision too every company non profit school church and government agency or department whether they are local state national or global The processes are all generally the same This book addresses how to go about developing such foresight in establishing a grand strategy
