Goblin Aztec Manual:

The Psychedelic Experience Timothy Leary, Richard Alpert, Ralph Metzner, 2017-06-27 The Psychedelic Experience created in the movement's early years by the prophetic shaman professors Timothy Leary, Ralph Metzner, and Richard Alpert. Ram Dass is a foundational text that serves as a model and a guide for all subsequent mind-expanding inquiries. In this wholly unique book, the authors provide an interpretation of an ancient sacred manuscript, the Tibetan Book of the Dead, from a psychedelic perspective. Reissued here to coincide with the 50th anniversary of the summer of love.

In this book, you will read about every goblin tribe nomad that I have created. The goblins in this book are interchangeable; that means there are no specific rules that you have to follow when deciding what goblins you want in your campaign. Just choose the ones you like and add them to your game. The more goblins you have, the more stuff is going to get complicated. What I mean by that is due to the fact that each goblin tribe nomad has a mortal foe or some sort of problem with another one of the tribes nomads. It becomes increasingly more difficult to keep track of them. Each goblin tribe has some sort of history with another goblin tribe, and that has made them enemies or allies depending on that history. So the more goblins you add, the more these tribes are going to have to role play and have to work together or, depending on their situations, fight on sight in your game. If you wish to remove the tribe alliances, enemies, that's fine as well. However, you decide to play, I hope you have fun with my creation. Also, a disclaimer: when I say something like "this goblin tribe is nice," that is based on the normal goblin personality and should be taken with a grain of salt. Thank you.
