God Has Spoken:

God Has Spoken J.I. Packer, 2016-06-16 J I Packer maintains that anyone who wants to know God will want to know as much as they can of what is in the Bible For through it God reveals himself and his purpose to us and in it we discover his fellowship and grace Packer presents the case for reliability of the Bible and urges us to return with open hearts to reading God s word and to discovering its overwhelming power in our lives This challenging sequel to *Knowing God* is a great resource for the Christian journey

God Has Spoken to Me... Susan Darling, 2014-11-12 This book is divided into two parts The first part is about womens rights particularly in the church I believe some men are still trying to keep women down by using the Bible in the wrong way God did say to me Women have a case Something women need to hear The second part is a mixture of lessons God has communicated to me about like he wants women in the priesthood And he asked me to pray for priests right to be married There are also other lessons in the book that I feel people might be interested in

He Has Spoken Joycelyn Dankula, 2015-04-17 This book amplifies and exemplifies what God has spoken that came to pass It is to help you see God not in a new dimension but in his original dimension the one that speaks and comes to pass the one that speaks and follows through the covenant keeper the unchanging changer This book is to guide you methodically and carefully to listen to the Word of God the promises of God and to see it not only unfold in your personal life but to see it fulfilled because once he has spoken it will come to pass That is why he says with emphasis and clarity The grass withers the flower fades but the Word of our God shall stand forever Chapter one helps you to understand the legitimacy the power and the credibility in the Word of our God Chapter two showcases and authenticates what God has done particularly through Abraham Sarah Isaac and others Chapter three is the icing on the cake what God did for Ishmael because of the value he puts on his Word and power and authority behind it Chapter four shows how God speaks so that you can distill his promises for yourself Chapter five details why God speaks Chapter six is concerned with how you can benefit maximize and apply the Word of God to your life Chapter seven is to help you sing Hallelujah over the situations of your life when you can see that with God all things are possible The purpose of this book is to encourage you to crave to hear the Word of God for your situation Once God has spoken to your situation consider it done No matter how hopeless helpless disappointing unexplainable or discouraging the situation may be whatever he has spoken shall come to pass

Has God Spoken? Hank Hanegraaff, 2011-08-30 Compelling evidence that the Bible is God s Holy Word Using the memorable acronym MAPS radio

host and Bible scholar Hank Hanegraaff masterfully reveals four proofs that confirm the divine origin of the Bible M represents the strength of the manuscript itself as many actual fragments have been located A stands for the archaeological proofs that have been uncovered P is for the prophecy that has accurately predicted events S represents the scriptural synergy found in the unity consistency and harmony of the sixty six books These clearly presented proofs provide powerful indicators that confirm the trustworthiness and divine nature of Scripture that God has indeed spoken and that the Bible is the reliable repository of His words

John Henry Newman and the Imagination Bernard Dive,2018-05-17 For John Henry Newman religion is animated by an imaginative master vision which supplies the mind with spiritual life and peace All his life Newman reflected on this master vision His reflections on the moral imagination developed out of his understanding of practical wisdom as characterized by Aristotle the wisdom that the good man has in living a good life For Newman the vision at the core of religion completes and perfects the intuitions of the conscience John Henry Newman and the Imagination looks at how Newman s understanding of the moral and visionary imagination developed over the course of his life and it relates his ideas about the imagination to his portrayals of religious experience and vision in his novels and poetry

How Effective Sermons End Ben Awbrey,2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher s greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light

The Millennial Harbinger Abridged ,1902 **God Has Spoken to Us** Don Stewart,2017-05-14 On our own finite or limited human beings cannot understand an infinite God In fact we cannot know anything about God unless He has revealed it to us Fortunately the Bible says that God has revealed Himself to humanity In this book Don Stewart in simple to understand language explains the various ways that the Lord has spoken to the human race as well as some of the important questions that they Bible answers They include the following In what special ways has God revealed Himself to each of us Does Scripture record everything that God has revealed to us Does it make sense that God would reveal Himself to humanity Is it possible for humans to know God personally Can a person please God
