## God In A Box:

*You Can't Put God in a Box* Kelly Besecke, 2014 The advent of modernity brought with it a crisis of faith Science had upended the religious certainties of earlier eras and believers in the West were cast adrift Some turned to a strident fundamentalism while more recently growing numbers have shunned religion altogether In *You Can't Put God In a Box* Kelly Besecke offers a fascinating examination of people who have found a middle way what is known as reflexive spirituality Those who practice reflexive spirituality Besecke shows draw equally on religious traditions and traditions of reason in the pursuit of transcendent meaning They prefer metaphor to literalism spiritual experience to doctrinal belief religious pluralism to religious exclusivism or inclusivism and ongoing inquiry to final answers They find inspiration in liberal theologies of any number of faiths and allies among the spiritual but not religious Besecke draws on original qualitative data to describe how people practiced reflexive spirituality in an urban United Methodist church an interfaith adult education center and a variety of secular settings By doing so she provides a window into the theological thinking of educated spiritual seekers and religious liberals and shows how they have come up with a unique way of addressing the problem of modern meaninglessness *The God Box* Barry Longyear, 2016-04-12 A less than honest merchant in the Iskandar market inherits a little box that will give him anything he needs which is not always what he wants It's a spiritual adventure through time and existence **Don't Put God in a Box** Frank Flynn, 2005-12-13 Does the mind blowing scale of the universe out there scare you Does it confirm in you a conviction that there is no God at least that such a God if he were to exist is altogether unreachable and unknowable or does the magnificence and design of the universe point you to a great creator a living being who created us too a Loving Heavenly Father to whom we can actually relate This short book *Don't put God in a Box* is a personal statement of an ordinary Christian who has also had a scientific education His main thrust is that scientific truths and matters of religious faith can happily coexist side by side and how an honest exposure to the grandeur of the universe can enrich the faith of a believer **Blowing the Lid Off the God-Box** Anne Robertson, 2005 What's in your God box Each of us says author Anne Robertson builds our own way of understanding God our God box and fills it up with bits of scripture wisdom and our experiences of God at work in our lives It's a perfectly good way to puzzle out what God means to us Encountering God through our human limitations we learn something about the meaning of Incarnation But to say that our experience of God is the only valid one is to put a lid on the box and create an idol This book is about examining our God boxes and bursting them wide open *Blowing the Lid Off the God Box* starts with the ministry of Jesus who blew the lid off everyone's God box by constantly challenging his followers with the unexpected Subsequent chapters examine the God boxes we create with scripture worship and political and social agendas [God in a Box](#) Marion Pember, 2013-12 Do you consider yourself spiritual but not religious Do you shy away from associating with modern day Christian churches or do you avoid religion altogether Perhaps you simply hang your hat on the spiritual peg just in case *God in a Box* takes a look at Christianity from

the perspective of one who believes that religious fundamentalism is oppressive and controlling with fear and guilt as the natural consequences Author Marion Pember describes his journey from being a fundamentalist Christian to becoming a Christian agnostic or a recovering fundamentalist His book eloquently explores what it means to believe in God and introduces the concept of the God box the metaphorical box that holds your personal beliefs about God regardless of your religious background The book also sheds light on the truth of the Bible hidden within the myth and metaphor found in the pages of scripture Whether you re struggling with questions about fundamentalist beliefs or simply need to evaluate your own belief system God in a Box offers clear insightful logic It s a thought provoking study of what it means to be a Christian offered in a way that everyone can understand and enjoy *Listening for the Holy Good* Marie E. Gibson,2026-02-19 This is a book of short essays and poems written to offer readers time in the middle of busy days for resting and centering for giving insight into ordinary moments and for stillness and peace of mind to set aside anxiety frustration or perhaps even boredom It might be a book to reach for at the end of the day to help forget burdening thoughts to help unwind before drifting into sleep Readers are encouraged to take a little time for themselves with this uplifting little book of heartfelt stories and poems
