Classroom Notes Plus, 1999 **DRAMA FOR STUDENTS** Cengage Learning Gale, 2016 **The Mighty Worker**, 1874 *Jesus according to Scripture* Darrell L. Bock, Benjamin I. Simpson, 2017-01-31 Updated Edition of a Bestselling Study of Jesus and the Gospels In this work Darrell Bock a leading evangelical New Testament scholar who speaks and teaches around the world and Benjamin Simpson show that a coherent portrait of Jesus emerges from the four Gospels when they are taken seriously as historical documents When read together the Gospels provide a clear picture of Jesus and his unique claims to authority This book surveys all the Gospel units and relates them to their parallel passages showing how the literary and canonical relationships work Offering up to date interaction with the latest discussions about Jesus the second edition has been substantially revised and updated throughout and includes three new chapters on how we got the Gospels

Drama, Disability and Education Andy Kempe, 2013 What can society learn about disability through the way it is portrayed in TV films and plays This insightful and accessible text explores and analyses the way disability is portrayed in drama and how that portrayal may be interpreted by young audiences Investigating how disabilities have been represented on stage in the past this book discusses what may be inferred from plays which feature disabled characters through a variety of critical approaches In addition to the theoretical analysis of disability in dramatic literature the book includes two previously unpublished playscripts both of which have been performed by secondary school aged students and which focus on issues of disability and its effects on others The contextual notes and discussion which accompany these plays and

projects provide insights into how drama can contribute to disability education and how it can give a voice to students who have special educational needs themselves Other features of this wide ranging text include an annotated chronology that traces the history of plays that have featured disabled characters an analysis of how disability is used as a dramatic metaphor consideration of the ethics of dramatising a disabled character critical accounts of units of work in mainstream school seeking to raise disability awareness through engagement with practical drama and dramatic texts a description and evaluation of a drama project in a special school In tackling questions and issues that have not hitherto been well covered Drama Disability and Education will be of enormous interest to drama students teachers researchers and pedagogues who work with disabled people or are concerned with raising awareness and understanding of disability
