**Faith and Fortune in the Creation of Our Modern World** Jan Vigg,2024-04-19 This book describes how our modern world came into being as a consequence of a series of accidental events unfolding in Europe from the 5th century onwards The events that led to Europe s success such as a competitive state system the rise of modern science and modern law individualism and the capture of the Americas were coincidental They were unsought unintended and unexpected The book discredits the Eurocentric idea that our advanced civilization is a consequence of cultural values inherent to Europeans such as rational thinking frugality hard work and honesty Modern industrial society which arrived in the span of a century after 50 agricultural centuries is a fluke of history It came as an explosion of technological breakthroughs in the 19th century turning the world European when its technology and economic political and cultural consequences quickly spread all over the planet This book argues that our modern advanced civilization is unique and is unlikely to be found anywhere else in the universe

*Unspeakable Truths* Priscilla B. Hayner,2002 In a sweeping review of forty truth commissions Priscilla Hayner delivers a definitive exploration of the global experience in official truth seeking after widespread atrocities When *Unspeakable Truths* was first published in 2001 it quickly became a classic helping to define the field of truth commissions and the broader arena of transitional justice This second edition is fully updated and expanded covering twenty new commissions formed in the last ten years analyzing new trends and offering detailed charts that assess the impact of truth commissions and provide comparative information not previously available Placing the increasing number of truth commissions within the broader expansion in transitional justice *Unspeakable Truths* surveys key developments and new thinking in reparations international justice healing from trauma and other areas The book challenges many widely held assumptions based on hundreds of interviews and a sweeping review of the literature This book will help to define how these issues are addressed in the future

Keener,2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports **Miracles in the New Testament** James Matthew Thompson,1912 *Miracles in the New Testament* James Matthew Thompson,1912 *New Testament Miracles* Kevin McKinney,2025-10-04 Jesus performed thousands of miracles during his brief ministry on Earth In John 21 25 we are told And there are also many other things which Jesus did which if they should be written every one I suppose that even the world itself could not contain the books that should be written Amen These include healing the sick manipulating nature curing the lame and even raising the dead While Jesus performed an untold number of miracles the New Testament records just thirty seven Why were these selected What was Jesus demonstrating with these specific miracles How can these miracles relate to our current lives and situations Review each of the thirty seven miracles recorded in the Bible What was the ultimate message Jesus was teaching with each of His miracles Beyond the obvious what was He teaching us New Testament Miracles reviews each miracle in chronological order Where was the miracle performed which gospel s is each recorded in and what is the message teaching of the miracle Includes bonus material maps and archaeological discoveries An easy to read and use format puts the message of the miracles in your hands In this Expanded Study Edition the larger format comes with space for your notes and comments It also includes additional miracles listed in the New Testament These include miracles directly related to Jesus the Resurrection Christmas Star Ascension and Virgin Birth Miracles performed by Saint Peter and Paul as well as others are also examined **Miracles New Testament** J Thompson,2025-05-22 Explore the miraculous events recounted in the New Testament in J Thompson s *Miracles New Testament* This work delves into the

biblical accounts of miracles offering readers insight into their significance within the Christian faith Thompson's study provides a valuable resource for those seeking a deeper understanding of the New Testament and the power of divine intervention A timeless exploration of faith wonder and the enduring impact of Jesus Christ's ministry This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

New Testament Miracles Kevin McKinney, 2022-07-08 During His earthly ministry Jesus performed thousands of miracles From curing all types of diseases to calming a storm to raising people from the dead Jesus showed His power over and over again The writers of the New Testament Matthew Mark Luke and John recorded 37 specific miracles out of the thousands performed These were selected to give us a better understanding of who Jesus is as well as demonstrate His power and authority Each miracle has multiple lessons to teach and only by close examination can you see everything Jesus was attempting to teach his followers two thousand years ago and today This book puts the 37 miracles of Jesus in chronological order Each entry shows the scripture where the miracle took place and gives a commentary on the meaning and lessons of the miracle There are also interesting facts inserted including archaeological discoveries that help put the miracle stories in a proper context The text also examines possible contradictions in the miracle stories and shows these are not what they seem What more can we learn from Jesus raising Lazarus from the dead Why did Jesus delay in performing miracles for some of those who asked Get a new perspective on the accounts of all 37 miracles performed by Jesus The miracles of the New Testament showed Jesus power during His time on earth and they still hold power for us today

**Miracles in the New Testament (Classic Reprint)** J. M. Thompson, 2017-12 Excerpt from *Miracles in the New Testament* The main part of this book consists of a critical examination of the miracle stories of the New Testament leading to the hypothesis that the original events underlying those traditions need not be regarded as miraculous This is prefaced by an attempt to define the belief in miracles and followed by an estimate of some of the theological results of its rejection It must not be thought that because the constructive part of the book pp 211-218 is so short it is unimportant It was inevitable from the nature of the case that the detailed criticism of the miracle stories should form the bulk of the argument But criticism is throughout regarded as subordinate to construction

There would be little point in discussing the problem of miracles except as a step towards a formulation of Christian theology. The last few pages of the conclusion are meant to focus the whole argument upon what really matters: our belief about God and Christ. They should perhaps be read first as well as last if the book is to be fairly judged as a whole.
