

## Period 5: 1848 - 1877

### Chapter 14: The Civil War, 1861-1865 [268 - 283]

Our Date We Choose is: NOVEMBER 23, 1861

Civil War 1861-1865

#### The War Begins

- In inaugural address Lincoln assured Southerners that he would not interfere with slavery but also warned that no state had the right to break up the Union
- **Fort Sumter**
  - Fort Sumter in Charleston SC was cut off from vital supplies and reinforcements by Southern control of the harbor
  - Lincoln sent provisions of food to the fort instead of giving it up or attempting to defend it
    - Gave SC the choice of permitting the fort to hold out or opening fire with its shore batteries
  - April 12, 1861: the war began w/ SC attack on Fort Sumter
  - Capture after two days of fighting united most Northerners behind cause to save the Union
  - **Use of Executive Power**
    - Lincoln drew upon powers as chief executive and commander in chief often w/ Congress
    - After Fort Sumter crisis Lincoln 1. Called for 75,000 volunteers to put down the "insurrection" in the Confederacy, 2. Authorized spending for a war, and 3. Suspended the privilege of the writ of habeas corpus
- **Secession of the Upper South**
  - Before attack on Fort Sumter 7 states of Deep South had seceded but after it was clear that Lincoln would use troops during crisis VA, NC, TN, and AR (upper south) seceded
  - People of western VA remained loyal to the Union and region became a separate state in 1863
- **Keeping the Border States in the Union**
  - Decision of DE, MD, MO, and KY not to join the Confederacy was partly due to Union sentiment in those states and partly the result of shrewd federal policies
  - MD— pro-secessionists attacked Union troops and threatened the railroad to Washington, but Union army resorted to martial law to keep state under federal control
  - MO—presence of US troops prevented pro-South elements in the state from gaining control (guerrilla forces pro-Confederacy were active during war)
  - KY— State legislature voted to remain neutral in conflict
  - Military and political goal for Lincoln to keep border states in the Union
  - Lincoln rejected initial calls for the emancipation of slaves partly to avoid alienation Unionists in the border states
- **Wartime Advantages**
  - **Military**
    - Confederacy entered war on defensive side whereas Union had to conquer land
    - Conf. needed to move troops and supplies shorter distances than Union
    - North's population advantage
      - 22 million whites + 600,000 immigrants + 180,000 African Am. vs. 5.5 million whites
    - Union had US Navy and gave Union command of rivers and territorial waters
  - **Economic**
    - Skills of Northern clerks and bookkeepers valuable in logistical support of large military operations
    - Conf. hoped that European demand for cotton would bring recognition and financial aid
      - Counted on outside help to be successful
