Live an ethical life in an unethical world.

You're no idiot, of course. But at a time when immorality, corruption, and greed seem to be not only condoned but encouraged, it's increasingly difficult to follow your own moral compass. In a world that stresses the material over the spiritual and appearance over substance, we all yearn for guidance.

The Complete Idiot's Guide® to Understanding Ethics is a comprehensive reference to the questions of right and wrong. This book will help you define your own philosophy and make sense of the dilemmas that confront you every day. In this Complete Idiot's Guide®, you get:

- ◆ Gender ethics, racial ethics (tolerance), and applications for ethical behavior in the workplace and at home.
- ◆ Explorations of real-world aspects of applied ethics and behavior, including the theories and doctrines of the ancient Greeks.
- ◆ Recipes for making an ethical life from ingredients like the wisdom of philosophy, science, and religion.

DAVID BRUCE INGRAM, Ph.D., is a professor of philosophy at Loyola University in Chicago. He is the author of four books on philosophy and ethics, most notably *Critical Theory and Philosophy*. He has also contributed to 23 other books in this area, including *The Dictionary of Business Ethics*.

JENNIFER A. PARRS, Ph.D., is an assistant professor of philosophy at Loyola University in Chicago and the co-director of programs in health-care ethics. She has written extensively in the areas of feminist ethics and home health care.
