Bowker's Complete Video Directory, 1998 ,1998 *Essentials of Fire Fighting* International Fire Service Training Association,2013 The Skill Sheet Handbook is a sturdy wire bound handbook of all 192 firefighter skills found in the *Essentials of Fire Fighting* and *Fire Department Operations* and the Skill Evaluation Checklists found in the curriculum These skill sheets provide more detail and are more heavily illustrated than those at the end of each chapter The Skill Sheet Handbook is designed to be used outdoors in the demanding firefighter training environment withstanding water and repeated use It lays flat for easy reference while students practice skills This rugged tool is intended to serve as a quick reference for students as well as a valuable instructor resource when preparing students for the skill portion of end of course and firefighter certification exams *Essentials of Fire Fighting* ,2007 This new addition to the *Essentials* product line is a sturdy wire bound handbook containing all of the skill sheets found in both the *Essentials of Fire Fighting* 5th edition manual and the *Essentials of Fire Fighting and Fire Department Operations* 5th edition manual The skills sheets in the handbook provide more detail and are more heavily illustrated than those in the manuals It is intended to serve as a supplemental quick

reference for students as well as a valuable instructor resource tool. Instructors will find this handbook helpful in referencing particular skills while performing evolutions on the training ground. It is also helpful as a reference tool for test evaluators to ensure that the evolutions are being performed correctly. If there are any questions as to the appropriateness of a technique being used, the instructor can open the handbook to the correct skill sheet and review it with the student right there in the field. The sturdy design and wire binding allow it to lay flat on any object in the field.
