Carrier Customer Bulletin

Date: April 21, 2011
 Notice #: CCBFTR1300009
 Audience: Frontier 13 IXC Carriers, Wireless
 Subject: Frontier 13 System Integration ICSC Code Changes
 Effective Date: On or After October 1, 2011

As communicated on April 1, 2011, in an attempt to make doing business with Frontier easier and more consistent, Frontier will begin converting the Operational Support Systems (OSS) and ordering processes used in four Frontier 13 states (NC, SC, MI, IN) to the existing Frontier Legacy and Acquired West Virginia systems and processes on or after October 1, 2011.

As the states are converted to the new systems, the following ICSC codes will be used.

NOTE: These codes are different from those communicated in the Frequently Asked Questions document sent in the April 1, 2011 - CCFTR1300006 System Conversion notice. The change was made to eliminate the need for Carriers to evaluate ASRs at a state and ICSC code level when determining where the transactions should be sent. In the previous notice, GT60 and GT61 ICSC codes would have been used in both platforms.
