

11/15/12

We're reading *Backwards Culture* in Ms. McMillan's class, and I can't say I care for it very much.

The author has a lot to say about business taking advantage of the environment and the workforce, but what about those who don't? If all work were that terrible, there wouldn't be so many people who would say they love their jobs. I doubt they'd even be working.

I also don't like the way the author talks about hard labor like it's a bad thing. My grandpa worked construction for years and loved it. My dad never has to tell me to mow the lawn, either. It's kind of looking down on people to assume they don't like their jobs when you don't know them, I guess.

The book is interesting and mostly well-written. I will say it has opened my eyes to (better and worse) working conditions in other countries—and even other states. But I also think he ignores a lot of facts to support his own claims.

There is one argument I can kind of get behind: raising minimum wage. My dad owns a small store and sometimes complains that we'd have trouble making ends meet if they raised it by more than a buck or two, but I really have trouble seeing how an extra forty or fifty bucks a day is going to cause that much trouble. As it is, my mom is always on him to lower the insurance plan now because he spends too much on them. There's always a compromise when it comes to stuff like that, but right now I think the advantage definitely falls with the employers, just like the author says.

On the opposite end of the spectrum is the author's belief that employers who do only pay minimum wage are somehow exploiting the workforce. Like I said above, my dad is a small business owner. He's been in the same place, doing the same thing, because he's always taken good care of his employees. Two people have worked there since before I was born and are making enough to support their own families. Yeah, if he were still paying people whatever the minimum was 15 years later, that would be steady. To say starting employees out at the minimum until both sides can get to know each other, though, that's totally crazy.

Ms. McMillan says she assigns controversial books like these because she wants us to understand the valid points people we don't agree with make. I really appreciate that. At times, this book has made me so mad I gritted my teeth, but usually he at least backs up his claims with numbers or quotes or something (even if he does tend to twist them a bit). I'm thinking about joining debate club this year. This book gives me something to sharpen my skills on, anyway, regardless of whatever else I may think of it.

I'd probably recommend this so far, but we are almost three-quarters through and I find myself disagreeing with more and more. I guess it all comes down to perspective!

Example Of A Journal Response

David Kirk

Example Of A Journal Response:

The Write to Read Lesley Roessing, 2009-07-30 Use reader response strategies to achieve Common Core goals in reading and in writing Response journals brief personal writing in response to reading can significantly improve reading comprehension What s more when scaffolded over the year reader response strategies promote engagement build understanding of complex literary and informational text and even help students provide supporting evidence in their writing all goals of the Common Core For educators eager to use reader response strategies veteran teacher Lesley Roessing presents a unique step by step approach that inspires thoughtful reading and skillful writing in Grades 5 12 Based on research and her own classroom experience Roessing s innovative writing exercises encourage students to read more deeply develop questions and participate actively in class Beginning with simple response tasks and moving toward more complex assignments the book provides a scaffolded curriculum for the full academic year Developed for language arts and content area teachers as well as literacy specialists this resource includes Examples of response journals for a wide range of genres including fiction nonfiction poetry and students personal reading Strategies for using reader response to guide classroom discussions group work book clubs and journal writing at home Adaptations for students with diverse abilities Numerous classroom ready templates and samples of student work Discover a well structured writing curriculum that promotes confident learning and the joy of reading

[Reading Journal Response for Grades Pre-K-5](#) Karen Soll, 2014-05-15 A child s connection to reading can be strengthened with a short writing activity after a book has been read This book includes several journal responses from which to choose The responses may be used with nonfiction or fiction and may even be adapted for poetry and plays Select the journal response that is most appropriate and give your child time to write a short response to the prompt If your child is struggling to come up with a response ask specific questions For example with the journal response that asks why you didn t like the book you could say I remember you frowned when I read about Did that part bother you If your child is a reluctant writer here are some quick tips you could try Hold the pen while your child tells you what he or she would like to write Sound out the words as you write the letters Sound out the letters as your child is writing the words Ask your child questions that may help him or her write the answer Ask your child to connect the book to his or her life and ask how Allow your child to use the computer to respond Help make the writing activity enjoyable by allowing your child to respond to whatever he or she related to When reviewing your child s work respond to the content of his or her writing rather than the mechanical errors Journal writing should be viewed as a quick fun way to give an opinion or extend the learning A log has been included at the end of this guide We recommend that you fill it in whenever your child responds to a text

Learning Journals in the K-8 Classroom Marcia S. Popp, 2012-11-12 Learning Journals in the K 8 Classroom is the first comprehensive presentation of how to use academic journals effectively for elementary level instruction The text outlines the theoretical foundations for using learning journals and provides step by step suggestions for implementing them

in every content area and at all levels of elementary instruction Learning journals provide resources and support for reading aloud independent reading mini lessons cooperative study individual research workshops and the portfolio system The type of interactive writing students do in learning journals helps them explore complex ideas in the content areas using their own strengths of analysis and response the journals then become resources for future learning group discussions individual conferences learning assessment reports and progress Four introductory chapters show teachers how to create their own journals introduce journals to students integrate them with cooperative study and use them for assessment Additional chapters focus on the individual curriculum areas of literature writing mathematics science and social studies The text includes sample entries from student journals at all grade levels and in every content area and appendices of annotated resources to support journaling and interviews with teachers who use journals in their classrooms *Easy Mini-Lessons for Building Vocabulary* Laura Robb,1999 Vocabulary building exercises for grades 4 through 8 **Becoming a Teacher Researcher in Literacy Teaching and Learning** Christine Pappas,Eli Tucker-Raymond,2011-01-25 Practical engaging and informed by current ideas on teacher research this text outlines and illustrates strategies and experiences to foster literacy teachers abilities to conduct action research in their classrooms or schools Web Search Savvy Barbara G. Friedman,2004-09-22 Web Search Savvy Strategies and Shortcuts for Online Research provides readers of all skill levels with efficient search strategies for locating retrieving and evaluating information on the Internet Utilizing her experience as a reporter working on deadline author Barbara G Friedman offers the most effective methods for finding useful and trustworthy data online and presents these techniques in a straightforward user friendly manner Anyone who uses the Internet for research will find much of value here including techniques that harness the power of advanced searches to optimize search results avoid advertising clutter and locate low or no cost databases Screen captures and diagrams illustrate the steps rationale and results to accompany various search strategies This book emphasizes techniques that make the Web work for individuals rather than for advertisers such as choosing the most appropriate search engine for the job and tweaking its advanced options to narrow a search and optimize results identifying cost free sources of online data using creative approaches to locate information evaluating the integrity of online data and protecting the privacy of the researchers and the researched Web Search Savvy is an essential resource for students scholars and practitioners in journalism and mass communications and it offers practical and useful guidance for anyone researching information online *Replies [afterw.] The Oracle* , **Marketing Across Cultures** Jean-Claude Usunier,Julie Anne Lee,2012-12-13 In an increasingly interconnected global business environment it is crucial that marketers recognise how a better understanding of cultural differences can help improve performance *Marketing Across Cultures* examines how multinational companies can appreciate and adapt to international diversity By comparing national marketing systems with local commercial customs Usunier and Lee use a cross cultural approach that provides essential information on how marketing strategies can be

implemented in different national contexts Full of up to date examples numerous illustrations and using clear language this text will guide students through key cultural marketing issues The Journal of Philosophy ,1906 Covers topics in philosophy psychology and scientific methods Vols 31 include A Bibliography of philosophy 1933 *Journal of Marketing* ,1986 Apr issues for 1940 42 include Papers and proceedings of the semi annual Dec meeting of the American Marketing Association 1939 41 **Some Recent Conceptions of Consciousness** Queen Lois Shepherd,1915 *Methodological Challenges and New Approaches to Research in International Development* L.
